3-1 Installing the Back Cover

Carefully align the gaps to the edges. When inserting the marked ①② into the back cover, you'll hear a "click" when correctly installed.

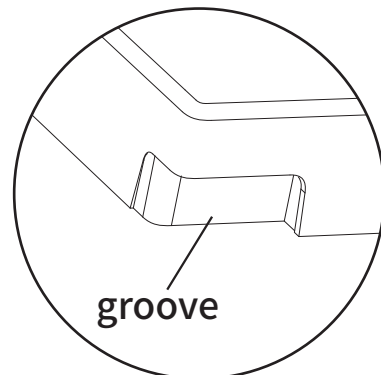

3-2 Installation Direction (Special Attention)

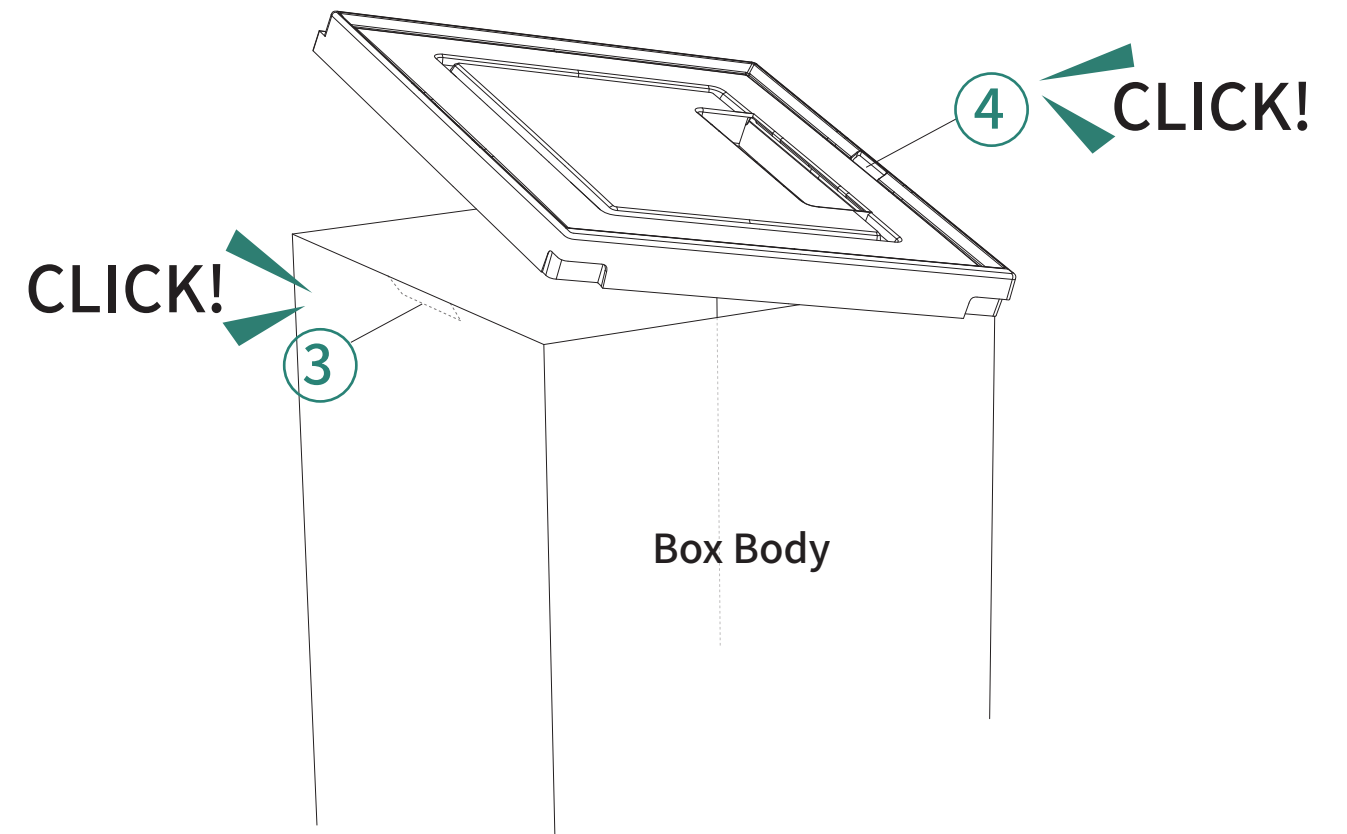

During assembly, all sides of the front door and back cover containing pegs should face upward.

The opposite sides with grooves should face downward.

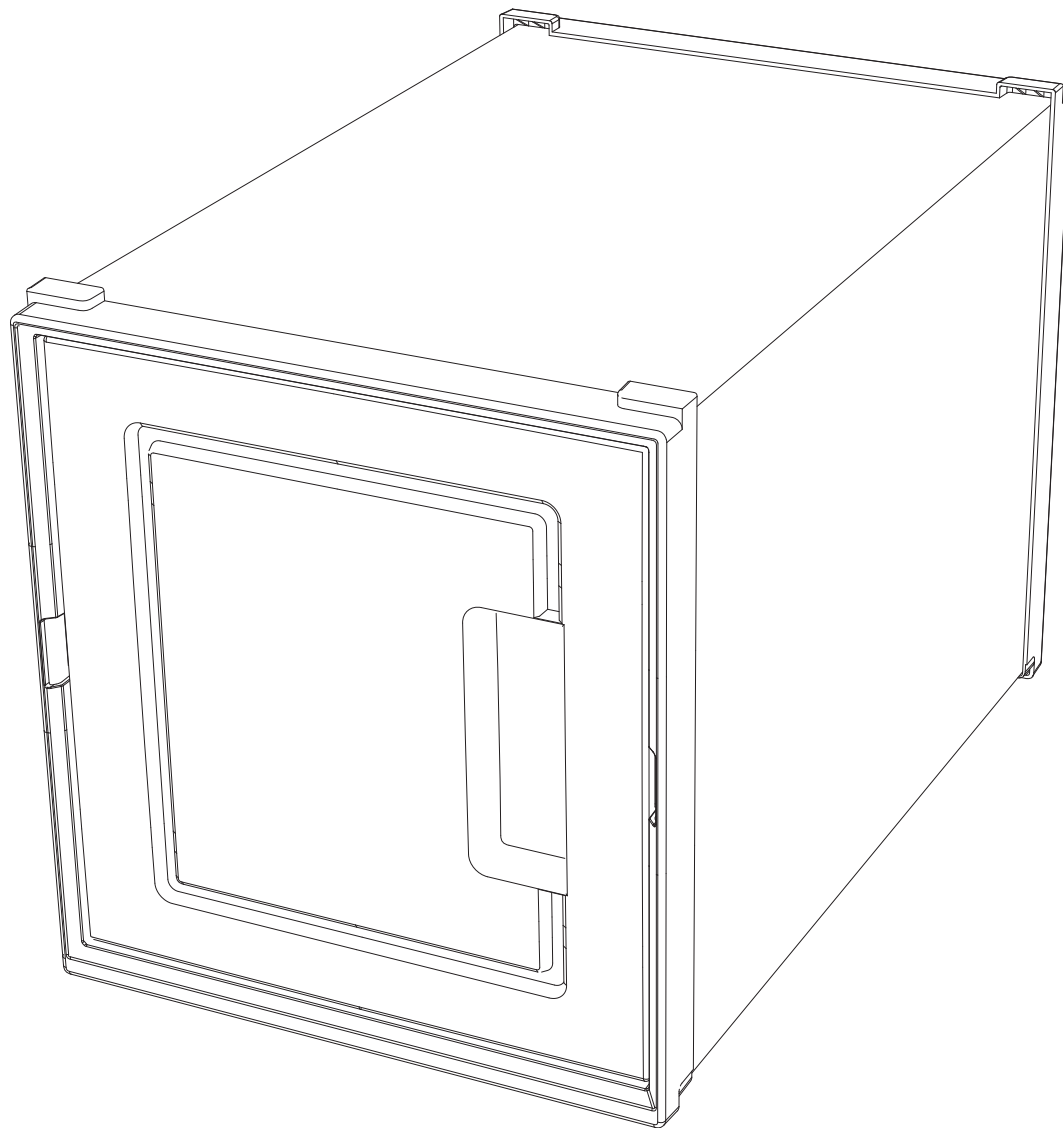

**3-3** Installing the Front Door

Carefully align the gaps to the edges. When inserting front door into the marked ③, you'll hear a "click" when correctly installed.

4

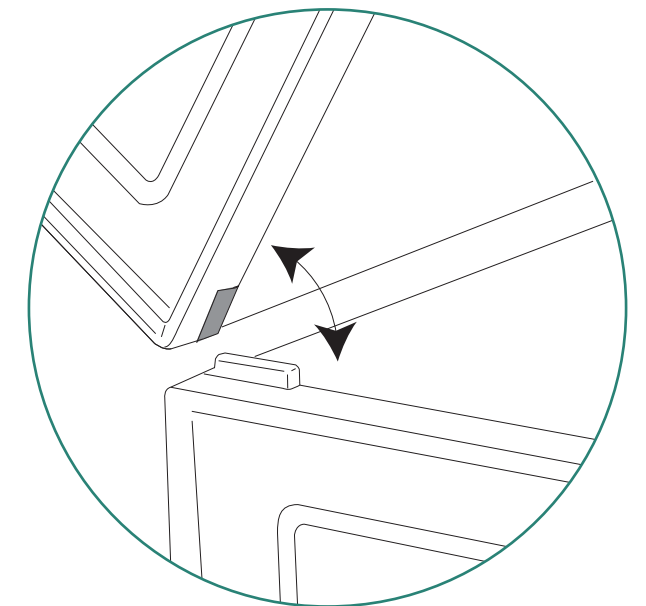

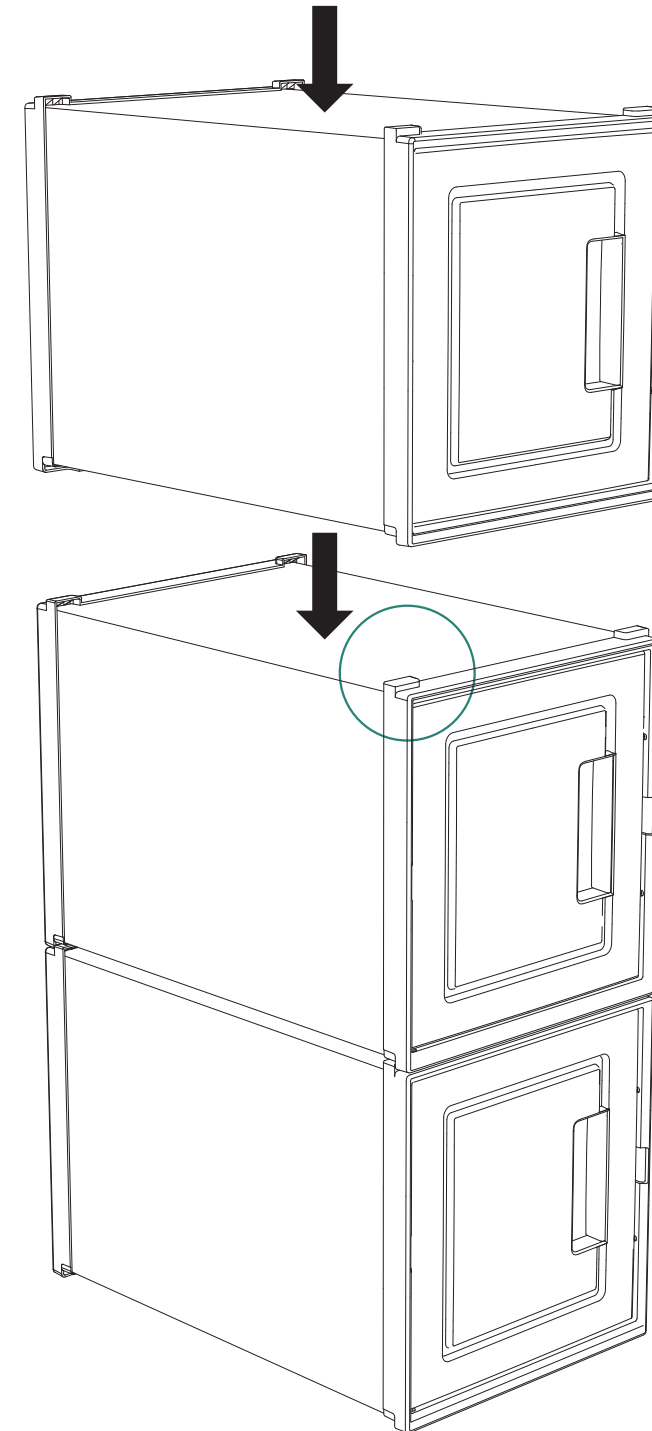

After installation is complete, no edges should be loose or exposed.

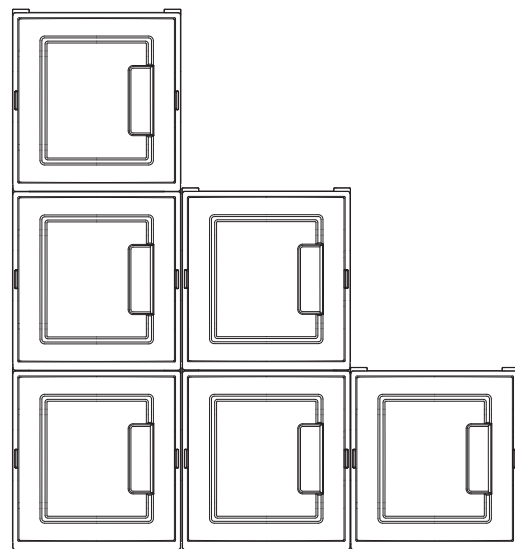

Installation Completed

Assembly options

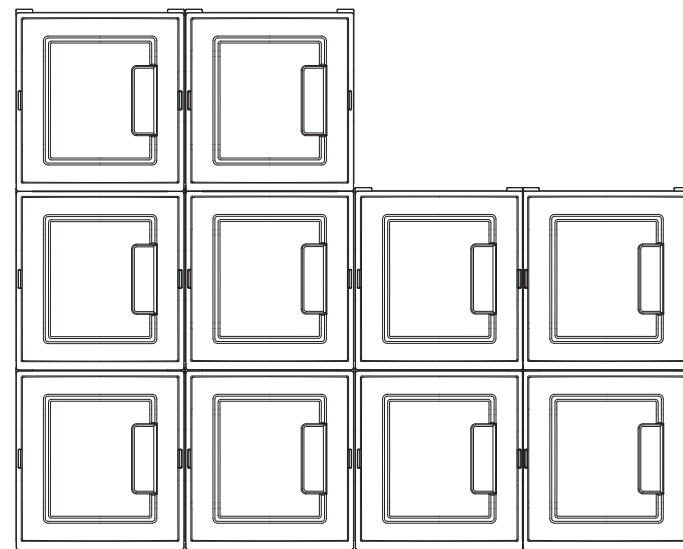

During assembly, each side of the shoe box that has pegs should face upward, while grooved sides face downward. When stacking, the four pegs on the lower shoe box should be snapped into the four grooves on the upper box with correct alignment.

Easy to disassemble
