

MSP-SERIES Complete MSP-KIT

A powerful and flexible LED downlight with a changeable reflector with different beam angles. All in one package. Choose between aluminium, white or black color.

Kit includes:

- 1 Driver
- 1 LED
- 3 Reflectors - 15° / 25° / 35°
- 1 Honeycomb
- 1 Frame

Create the perfect light by swapping the reflectors, a narrow beam for your favorite painting or a wide beam for an open space where you want soft and even light distribution.
