INTRODUCTION

Welcome to your new Raycon Earbuds!

We are Raycon. We create carefully crafted wireless audio products for go-getters who need tech that keeps up with them. We teamed up with expert engineers, leading taste-makers, and platinum artists to design products you'll love to use.

We believe in the early risers and the one-more-milers of the world. Premium audio, inspired by you.

Before using your product, we strongly encourage you to fully read through this user guide. You can also visit our support center at [www.rayconglobal.com/support](#). This web page has more specific guidelines and helpful videos for you to navigate your product. For best performance, charge fully before first use.

Pairing ID: **The Everyday Earbuds**

INTERNATIONAL MANUAL

For international versions of the manual, please visit [www.rayconglobal.com/support](#)

UNIT AT A GLANCE

1. Control Button

2. Microphone

3. Earbud Indicator

4. Silicone Gel Tip

5. Charging Connectors

6. Charging Port

7. Lanyard Hook

8. Wireless Charging

9. Charging Capsule Indicator

QUICK START GUIDE

1. Take your earbuds out of the capsule. Both earbuds will connect to each other automatically.

2. From the source device, go to Bluetooth settings and ensure Bluetooth is on. Search for "The Everyday Earbuds" and select it to pair.

3. Enjoy your Raycon Everyday Earbuds!

CHARGING YOUR DEVICE

1. Charging the Earbuds

Place Earbuds in the Capsule

Charging

Fully Charged

Call / Play: about 8 hours
Total battery life: 32 hours

2. Charging The Capsule

Connect with Type-C cable

Charging

Fully Charged

A fully charged capsule can completely recharge the earbuds up to 3 times before needing to recharge the capsule.
Wireless Charging: Simply place the case on any Qi-compatible charging mat.

SOUND PROFILES

Your sound, your way! As our sound profiles were crafted by artists and producers at the top of the industry, you're in good hands.

PURE SOUND

Our most refined sound, perfect clarity to hear every single note.

BALANCED SOUND

A leveled sound that is great for all around performance and warmth.

BASS SOUND

Our bass boosted sound, great for songs with strong beats and a go-to for bass lovers.

AWARENESS MODE

Awareness Mode

Hear what's happening around you.

HOW TO CHANGE GEL TIPS

Choose and install the gel tip that gives you the most comfortable and secure fit.

Flip the gel tip inside out.

Align gel tip with earbuds and insert it.

Flip the gel tip back to front.

Make sure it is securely attached before you use

GEL TIPS

XS

S

M

L

Please select the right size gel tip for your ear size.

THE PERFECT FIT SHOULD LOOK LIKE THIS

Insert the earbuds into your ear.

Rotate the earbuds slightly forward.

The perfect fit should look like this.

SAFETY GUIDELINES

Please follow the safety guidelines below at all times when operating or caring for your device.

Be wary of any edges, uneven surfaces, and metal parts, including on accessories and product packaging, to prevent any possible injury or damage.

Listen to music at a proper volume to avoid damaging your hearing and the earbuds.

Do not storage in high temperatures, such as in a hot vehicle or in direct sunlight.

Do not expose the earbuds or any of its supplied parts to rain or other liquids for extended periods of time.

Do not drop or cause undue impact to the earbuds.

Do not modify, repair, or dismantle the product on your own.

Do not use any diluent or volatile liquid to clean the product.

Do not use the product in a hazardous location.

Please keep your gel tips clean so that they don't interfere with your appreciation of the music.

FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure statement. The device can be used in portable exposure condition without restriction

IC CAUTION:

- English:

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

- French:

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
