

LOGITECH® USB HEADSET H390

Incredible comfort meets immersive sound

Your ears will never tire of the plush, padded comfort and rich digital sound quality of this premium headset—perfect for enjoying crystal-clear voice and video calls, music, movies and games.

FEATURE AT A GLANCE

Padded comfort

The premium padded headband and ear cups feel ultra-comfortable even after long hours of calls at home or the office.

Pure digital sound

USB digital audio and high-quality full stereo speakers turn your voice calls, music, movies and games into an immersive listening experience.

Easy audio control

- In-line volume and mute controls are in easy reach
- Bright mute light makes it easy to see when your mic is turned off

Adjustable noise-cancelling mic

- Reduces annoying background noise so you're clearly heard
- Rotates to where it picks up your voice best
- Flips up and out of the way when you're not on a call

Plug-and-play simplicity

Just plug your headset into the USB port on your computer and start calling on your favorite calling app.
