

## Timing Component Kits with Water Pump

### ***Save Time and Money with Gates Timing Component Kits with Water Pump.***

Gates Timing Component Kits (TCKs) with Water Pump include all the parts necessary for a complete timing system replacement in one package eliminating additional time required to source individual parts. Do the job right the first time and reduce comebacks by always replacing the timing belt and water pump at the same time – 90% of the labor to change the water pump is already included with the timing belt replacement.

**No one comes close to Gates Original Equipment (OE) Timing Belts and Timing Component Kits worldwide.** Today, Gates is the world's largest manufacturer of Timing Belts and TCKs. And not just for domestic vehicles, but for Asian and European manufacturers like Toyota, Honda, Volkswagen and Audi.

**Genuine OE Components.** When you see the Genuine OE Component sticker on the box you are guaranteed the tensioners and idlers in the box are what came on the car originally.
