蓝牙连接后，连续短按 3 下开机键，开启语音唤醒功能。

After Bluetooth connection, short press the power button 3 times to activate the Voice assistant function.

## 技术参数 Technical Parameters

1. 芯片方案：杰理 Bluetooth solution: JL
2. 输入充电电压和电流：5V/1000MA Input charging voltage and current: 5V/1000MA
3. 电池类型：内置可充电锂电池 Battery type: built-in rechargeable lithium battery
4. 电池容量：18650\*1 1200mAh Battery capacity: 18650\*1 1200mAh
6. 蓝牙版本： V5.0 Bluetooth version: V5.0
7. 可工作范围：10M Working range: 10M
8. 工作时长：6H Working hours: 6H

备注：该说明书所有参数及操作方法可能会随着软硬件方案的迭代有所更新，如有变更，恕不另行通知。

Remarks: All parameters and operation methods of this manual may be updated with the iteration of the software and hardware solutions, subject to change without notice

## 安全注意事项 Safety Precautions

1. 请在常温环境中存放以及使用本产品，勿将本产品暴露在雨中或潮湿环境中；  
Please store and use this product in a normal temperature environment, do not expose this product to rain or humid environment;
2. 请勿丢掷及拆解. 修理和改造本产品，避免造成产品不必要损害；  
Do not throw or disassemble. Repair and modify this product to avoid unnecessary damage to the product;
3. 产品内置锂电池，请勿随意丢弃或置以火中，以免引起危险；  
The product has built-in lithium battery, please don't throw it away or put it in fire to avoid danger;
4. 为有利于延长音箱使用寿命和您的身心健康，请不要在长时间大音量的环境下听音，以免损害您的听力；  
In order to help prolong the service life of the speakers and your physical and mental health, please do not listen to the sound in a long-term high-volume environment, so as not to damage your hearing;
5. 出现故障时，请立即断开电源，防止声器及其它元件损坏；  
In the event of a failure, please disconnect the power immediately to prevent damage to the speaker and other components;
6. 电量不足会影响蓝牙音效或蓝牙容易断开，请及时充电。  
Insufficient battery will affect the Bluetooth sound effect or Bluetooth is easy to disconnect, please charge in time.

**FCC Caution:**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
