

QUICK GUIDE

VEGAN-LEATHER MAGNETIC WALLET STAND

Attention: Don't open the wallet more than 160 degrees, or the metal hinge may be damaged.

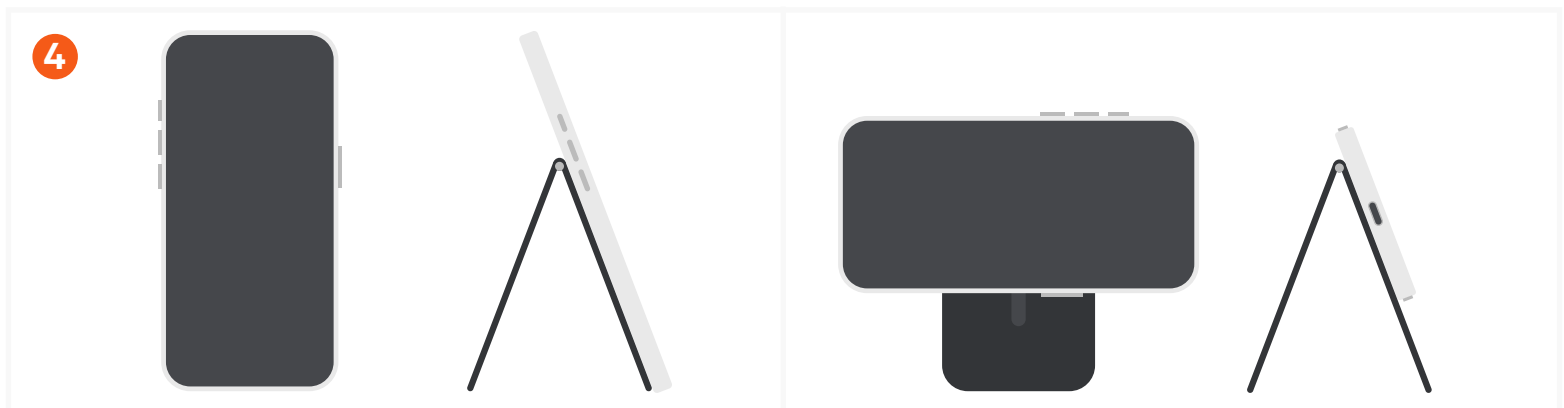

Front pocket can hold 2 cards and contains an ID window. Supports tap to pay and NFC. Recommended to insert the card using NFC in the front of the pocket and ID in the back. Not recommend to use more than one tap to pay card in the front pocket.

Rear pocket can hold two cards max.

Align and attach the wallet to the rear of the phone.
Compatible with iPhone 12/13/14/15.
Not compatible with iPhone 12/13 mini.

You can use the wallet as a stand in portrait and landscape layout.
