Certificate of Compliance

Certificate Number:

UL-US-2407070-0

Report Reference:

E178020-20240222

Issue Date:

2024-02-22

Issued to:

FSP GROUP INC
2-3 E 3rd St
Nanzih District Kaohsiung 811
Taiwan

This certificate confirms that representative samples of:

QQHM2 - Power Supplies, Medical and Dental - Component

See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for installation in complete equipment submitted for investigation to UL LLC.

ANSI/AAMI ES60601-1:2005/A2:2021

Additional Information:

See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Recognized Component Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Recognized Component Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Recognized Component Mark on the product.

A handwritten signature in blue ink, appearing to read 'David Piecuch'.

CERTIFICATE OF COMPLIANCE

Certificate number UL-US-2407070-0
Report reference E178020-20240222
Date 2024-02-22

This is to certify that representative samples of the product as specified on this certificate were tested according to the current UL requirements.

Model	Product Description
FSP300M-K36-12Af (With 10 CFM force air), Suffix "f" can be blank or -SP indicates single fuse provided on Line side of the Primary, where blank=fuse on both side and - SP=single fuse on Line side of the Primary.	Power Supplies for Medical Equipment
FSP300M-K36-12Af (Without force air), Suffix "f" can be blank or -SP indicates single fuse provided on Line side of the Primary, where blank=fuse on both side and - SP=single fuse on Line side of the Primary.	Power Supplies for Medical Equipment
FSP300M-K36-12AHf (With 10 CFM force air), Suffix "f" can be blank or -SP indicates single fuse provided on Line side of the Primary, where blank=fuse on both side and - SP=single fuse on Line side of the Primary.	Power Supplies for Medical Equipment
FSP300M-K36-12AHf (Without force air), Suffix "f" can be blank or -SP indicates single fuse provided on Line side of the Primary, where blank=fuse on both side and - SP=single fuse on Line side of the Primary.	Power Supplies for Medical Equipment
FSP300M-K36-12Bf (With 10 CFM force air), Suffix "f" can be blank or -SP indicates single fuse provided on Line side of the Primary, where blank=fuse on both side and - SP=single fuse on Line side of the Primary.	Power Supplies for Medical Equipment
FSP300M-K36-12Bf (Without force air), Suffix "f" can be blank or -SP indicates single fuse provided on Line side of the Primary, where blank=fuse on both side and - SP=single fuse on Line side of the Primary.	Power Supplies for Medical Equipment
FSP300M-K36-12BHf (With 10 CFM force air), Suffix "f" can be blank or -SP indicates single fuse provided on Line side of the Primary, where blank=fuse on both side and - SP=single fuse on Line side of the Primary.	Power Supplies for Medical Equipment

Certificate of Compliance

Certificate Number:

UL-CA-2406155-0

Report Reference:

E178020-20240222

Issue Date:

2024-02-22

Issued to:

FSP GROUP INC
2-3 E 3rd St
Nanzih District Kaohsiung 811
Taiwan

This certificate confirms that representative samples of:

QQHM8 - Power Supplies, Medical and Dental Certified for
Canada - Component

See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for installation in complete equipment submitted for investigation to UL LLC.

CSA C22.2 No. 60601-1, 3rd Ed., Issue Date: 2014-03, Revision
Date: 2022-3, AMD 2

Additional Information:

See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Recognized Component Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Recognized Component Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Recognized Component Mark on the product.

A handwritten signature in black ink, appearing to read 'David Piecuch'.
