

FLOOR MATS
CARE AND USE INSTRUCTIONS

ABOUT CLEANING:

The easiest way to clean your floor mats is using a damp cloth or sponge with soap and water. Windex®, 409® and ArmorAll® type cleaners work as well.

RETAINING CLIP:

OEDRO® floor mats contain retaining clips design.

OEDRO® floor mats retaining clips could restrain the mats from moving, which will avoid interfering with the accelerator and brake pedals.

For your safety, please follow the installation and install retaining clips with care.

INSTALLATION INSTRUCTIONS:

FLOOR MATS
CARE AND USE INSTRUCTIONS

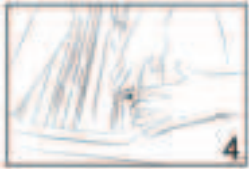

1. Remove original floor mats.Push seats back to the end.

2. Put OEDRO® floor mats in place.

3. Line up and insert the fixed plug on carpet into the retaining clip.

4. Adjust and make sure the floor mats are secure and tight.

5. Make sure the mats never interfere the pedals.

6. Reset seats.Installation finished.

Note: When installing the retaining clip to the car floor, snap it until there's a "pop" sound. If there's no "pop" sound, please try again. When removing the floor mats, don't over pull it in case of any damage.
