Sudoku Puzzle Guide

MAGNETIC SUDOKU

3 years +
1 to 2 players

This game includes: 4 Activity Cards, 16 Magnetic Playing Pieces

4 x Activity Cards

Front

Back

16 x Magnetic Playing Pieces

4x4 Sudoku Puzzle Rules: Complete the sequences by filling in the spaces using any of the 4 playing piece designs. Note: you cannot duplicate any of the playing pieces in a row or column.

TIPS:
If there is one space left in a row or column on the Sudoku card, it can only be filled with a playing piece that has not appeared already in that row or column.

3+ years

3x3 Sudoku Puzzle Rules: Select the playing pieces that are listed on the bottom of the Sudoku card. Complete the sequences by filling in the spaces using those playing pieces. Note: you cannot duplicate any of the playing pieces in a row or column.

TIPS:
If there is one space left in a row or column on the Sudoku card, it can only be filled with a playing piece that has not appeared already in that row or column.

Activity Cards: 3x3 Sudoku Puzzles, 4x4 Sudoku Puzzles

3x3 Sudoku Puzzle Rules: There are 3 activity cards. Complete the sequences on each Sudoku card using the magnetic playing pieces.

4x4 Sudoku Puzzle Rules: There are 3 activity cards. Complete the sequences on each Sudoku card using the magnetic playing pieces.

Tic Tac Toe Rules:
Two player game. Players take turns placing a playing piece in an empty space. The first player to make a line of 3 identical playing pieces, either vertically, horizontally or diagonally - wins!
If all the spaces have been filled but no one has made 3 in a line, it's considered a draw.
