INSTALLATION INSTRUCTIONS:
① ② ③
④ ⑤ ⑥

⑦

1. Take a PCB Board and a Wall Panel.
2. Connect the PCB Board into any of the 3 slots on the Wall Panel.

3. Take another Wall Panel and connect to the other end of the PCB Board on the first panel.

4. Add more Wall Panels to form a desired shape.

5. Use a Fixing Part to strengthen the connections between the Wall Panels as required. Note: The more fixing parts used the more secure your shape will be.

6. Attach the Wall Panels to the Master Controller.

7. Turn over your Wall Panel Shape and affix included stickers. Note: Spread out the stickers to cover as many panels and edges as possible for more even weight distribution.

8. Please wipe down the wall and make sure it is free from any dirt before sticking the Wall Panels. This will ensure a stronger bond.

TROUBLESHOOTING

Q. Why is the Wall Panel not pairing?

A. If your Wall Panel has trouble pairing, check your Wi-Fi username and password are correct. Ensure that you are using 2.4Ghz Wi-Fi connections only as the 5Ghz bands are not supported.

Q. Can I change the light panel colours individually?

A. No, when the panels have been connected together they are all controlled as a whole via the APP.

Q. I can't see any flashing light when pairing the Master Controller.

You will need to connect at least 1 Wall Panel to the master controller to see if the device is in pairing mode. If the wall panel is blinking quickly then it is in pairing mode.

WARRANTY AGAINST DEFECTS

Laser warrants your new product to be free from defects in materials and workmanship for 12 months, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. The benefit of this warranty is in addition to your rights under the Australian Consumer Law and to other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates.

Through a network of retailers and resellers, Laser will provide you with your choice of a refund, repair, or exchange (where possible) for this product if it becomes defective within the warranty period. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse, normal wear and tear, neglect, or improper storage. **Please retain your receipt as proof of purchase**

How to make a product warranty claim:

1. Find your receipt with date of purchase. If this is not available, Laser will make an assessment based on the date of manufacture, condition of the product and type of defect.

2. Please contact your original place of purchase. They will assess the nature of the fault and refund or replace the product as per their store refund or warranty policy.

3. If your original place of purchase cannot be contacted, please contact Laser with a description of the fault. To assist our team in providing you with a quick resolution, please include any photos and/or a short video demonstrating the fault with your product.

   • Phone: (02) 9870 3355
   • Email: support@laserco.com.au
   • Online: www.laserco.net/support/warranty and follow the website instructions
   • Business Address: U1 6-8 Byfield Street, Macquarie Park, 2113, NSW, Australia

4. Laser will review your claim and in the first instance, attempt to troubleshoot and resolve the issue for you without the need to return the product.

5. If it is determined via troubleshooting that your product may be faulty, our team will provide instructions to have the product returned for assessment. If the product does need to be returned within the warranty period, Laser will arrange return shipping at no cost to you.

6. Once we receive the product, our experienced technicians will assess it and determine how best to resolve the issue.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
