TOSHIBA

Toshiba C350 series offers stunning viewing with REGZA Engine ZR and powerful REGZA Power Audio. Enjoy unlimited entertainment with Fire TV and access to thousands of channels and apps. Its sleek design, inspired by "Japan Beauty," blends seamlessly with your living space.

AVAILABLE SIZES

85" | 75" | 65" | 55" | 50" | 43"

REGZA Engine ZR

REGZA Engine ZR is Toshiba's revolutionary Engine. With the power of precise analyzing technology, it drives the maximum potential of picture quality to reach the resolution of 4K for scenes, to deliver stunning picture quality for breath-taking viewing experience.

AI 4K Upscaling

Toshiba's unique Al upscaling technology provides the near-4K level picture quality for Full HD content. Instead of simply replicating every pixel, it intelligently detects the colors of neighboring pixels and decides the proper color of each pixel by considering the detailed texture of the real sight. No matter what the content is, you can enjoy every scene with the amazing clarity of near-4K quality.

Game Mode

Game mode supports many gaming features such as ALLM (Auto Low Latency Mode), VRR (Variable Refresh Rate) and eARC. With the combination of Ultimate Motion, breathtaking reality and excitement make your gaming experience unforgettable.

Ultimate Motion

Ultimate Motion reduces blur in fast moving scenes, offering crisp and clear images for fast action sequences. Its smooth viewing experience puts you into the scene.

Dolby Vision • Atmos

Combine Dolby Vision HDR imaging with Dolby Atmos sound to get engaging audio-visual performance, transforming your TV into an entertainment powerhouse with detailed iamges and acoustics, so as to achieve amazing realism that you'll see, hear, and feel like never before. That is, your truly spectacular home entertainment.

Sports Mode

Sports Mode is tailor-made for sports contents, in particular the fast moving actions. The Algorithm is set up to fully show details of the game on Tv, and the unrivaled clarity takes you to every exciting moment. Just cheer up for the game the way it touches you.

Super Contrast Booster

Accurate picture contrast emphasizes and maximizes the depth of picture color, to show things as real. As a result, any content you watch on TV, you will enjoy a realistic picture with breathtaking contrast.

Fire TV

Get right to the good stuff. Fire TV puts your favorite apps front and center on one main home screen. So you can quickly find shows, movies, and live TV you love without the endless scrolling.
