

Since 1924

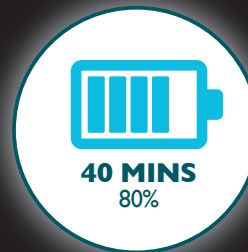

The **ALL-NEW** MG5 EV.

Introducing the 100% Electric Family Lifestyle Drive.

* Actual specifications may differ from model shown.

MG5 EV

The all-new MG5 EV is a fully-electric car that sports a spacious and practical station wagon body style. With a long range, a spacious interior and an attractive price tag, the MG5 EV is the perfect car for every drive whether for family outings or your commute. The MG5 EV represents MG's highest standards of quality and reliability, built with the finest materials in our state-of-the-art manufacturing plants.

* WLTP-certified

* Actual specifications may differ from model shown.

AN ALL-NEW KIND OF DRIVE

Reimagine everything you knew about electric cars.
The all-new MG5 EV brings you a whole new world
of space, practicality and power.

With plenty of interior space, the all-new MG5 EV fits in the whole family and all their luggage too in the large boot. The MG5 EV also boasts a long electric range and quick rapid charging, helping you to plan long drives, or drive for days and days on a single charge.

Its 61.1kWh battery delivers a 403km WLTP-certified range and an 80% battery charge can be achieved in just 40 mins using a 50kW rapid charger.

Packed with technology, the MG5 EV also offers driving conveniences with the 8" colour touchscreen infotainment system, featuring Apple CarPlay™ and Android Auto™.

Drive the MG5 EV Exclusive or the MG5 EV Excite, and experience a drive that packs more into every drive.

* Actual specifications may differ from model shown.

AN ALL-NEW KIND OF COMFORT

The all-new MG5 EV's highly practical station wagon body style easily accommodates five passengers in complete comfort – with the large boot providing ample luggage capacity. Not to mention, that dropping the 60:40 folding seat back increases the load capacity.

Even at full capacity – your family can enjoy the comforts of space. Rear seat passengers are very well catered for with ample head room and plenty of legroom, even when seated behind a tall driver. Those in the front can easily get comfortable thanks to the six-way adjustable driver's and four-way adjustable passenger seats, with leather-style upholstery.

* Actual specifications may differ from model shown.

AN ALL-NEW EXPERIENCE OF POWER

While station wagons may be immensely practical – the all-new MG5 EV offers a taste of great drives with its excellent driving dynamics too.

With a 61.1kWh battery, the all-new MG5 EV delivers a 403km WLTP-certified range. An 80% battery charge can be achieved in just 40 minutes using a 50kW rapid charger.

With an option of charging overnight at home on a standard 7kW home charger – powering your drives on the all-new MG5 EV couldn't be easier.

Or if you find yourself out and about in need of a boost, Singapore has plenty of rapid charging points for your MG5 EV.

To assist your driving experience and to maximise the driving range, the MG5 EV is equipped with regenerative braking to improve brake efficiency and help with optimisation of battery charge usage.

* Actual specifications may differ from model shown.

ALL THE SAFETY YOU NEED

MG Pilot Driver Assistance System

Adaptive Cruise Control (ACC)*

Forward Collision System (FCS)*

Lane Assist System (LAS)*

Speed Assist System (SAS)

From alerting you to potential collision hazards, to clever systems that help you to maintain traction and stability: your safety is our main concern. That's why we created an innovative safety system that comes loaded with clever assistance technologies, all designed to help keep you, your family and other road users protected.

* Only available on MG5 EV Exclusive

* Actual specifications may differ from model shown.

ALL FOR NATURE MEETS ALL-NEW VALUE

For families that love nature, the all-new MG5 EV is the perfect zero emissions car. In addition, without the need for fuel - driving the MG5 EV can reduce your running costs which is seriously good for your pocket!

Because it's fully electric, the MG5 EV also presents incredible value right from the start. Currently with the newly enhanced VES and EEAI scheme, drivers can enjoy attractive rebates.
