

E-Class Sedan

W213

Model Year 2018

Preliminary – Subject to Change

Mercedes-Benz

The best or nothing.

Important note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

Revision History

<i>Date</i>	<i>Changes</i>
01/27/17	Initial release
01/31/17	Modified Stand-Alone option (Code 445 - Warmth and Comfort Package)
02/09/17	Renaming of Sport Wheel Package (322) to AMG Line Exterior
02/10/17	Updated Center Console availability for E63S
02/15/17	Updated trim availability for E63S

Rear Seat Entertainment and Comfort Adapter (866)

Rear Seat Entertainment and Comfort Adapter (866)

Option price: \$170

The new code 866 is a slot in the backrest of the front driver and passenger seats with a plug-in adapter. Several rear seat entertainment and comfort accessories work in conjunction with this adapter. Accessories must be purchased separately.

IMPORTANT NOTE:

Please do not confuse the existing equipment “Pre-Installation Rear Seat Entertainment” with this equipment as they have the same code.

Headlamps

LED headlamps (632)

Standard

- All functions feature LED technology
- Excellent illumination of the road
- Distinctive look during day and night
- Integrated LED daytime running lamps
- Projector LED low-beam and reflective LED high-beam technology
- LED taillamps (w/stardust effect)
- Low energy consumption
- Much longer bulb life

LED Intelligent Light System (640)

Optional

Included in Premium 2 Package (P02)

All functions of the standard LED headlamps plus:

- Automatic high-beam control by Adaptive Highbeam Assist
- Automatically activated cornering lights
- Active light function for significantly better illumination in bends
- Pairs w/ standard LED taillamps

Steering Wheels

3-Spoke multifunction steering wheel (L3C)

Standard

- The all new 3-spoke steering wheel in Nappa leather comes with unique Touch Control Buttons in the control panels on the left and right.
- The steering wheel is embossed in the center grip area.
- Galvanized shift paddles, available only with Luxury Line (167)

Wood/leather steering wheel (L3D)

Optional

Requires Burl Walnut wood trim (731)

Not available with heated steering wheel (443)

- The combination of high-quality leather in the grip area and fine wood inserts at the top and bottom make this steering wheel a visual and tactical highlight.
- Galvanized shift paddles

Heated Steering Wheel (443)

Optional

Not available with wood/leather steering wheel (L3D)

- On cold days, heating of the steering wheel rim very rapidly ensures cozy temperatures of the grip area and thus also warm hands.
- The switch for turning the heating on and off is positioned on the steering column.
- Galvanized shift paddles

Crosswind Assist

Crosswind Assist

Standard on all models

- Traditionally, strong gusts of wind may lead to sudden lateral drift of the vehicle
- Crosswind Assist aids the driver by reducing the vehicle's lateral drift substantially in windy driving conditions
- Crosswind Assist is integrated into the ESP® sensor system and enables the timely detection of gusts of crosswind
- Automatic brake intervention on the wheels on the side of the vehicle facing the wind results in a motion which counteracts the crosswind
- Crosswind Assist substantially enhances the driver's sense of control, stability and safety

AIR BODY CONTROL (489)

AIR BODY CONTROL air suspension (489)

Option Price: \$1,900

- Multi-chamber air suspension combined with continuously adjustable damping to improve ride comfort and driving dynamics
- Vehicle characteristics can be varied from comfortable through to sporty using DYNAMIC SELECT switch
- "Comfort" and "Sport" settings for a more comfortable or stiffer, sportier setup
- Constant vehicle level irrespective of load thanks to pneumatic all-round self-levelling suspension
- Suspension level can be raised for poor surfaces and is automatically lowered at high speeds, helping to reduce aerodynamic drag and further improve handling stability
- Selective luggage compartment lowering not applicable on E300/E300 4M

Burmester® Surround Sound System (810)

Burmester® Surround Sound System (810)

Included in Premium 1 Package (P01)

- 13 high-performance speakers precisely configured for the vehicle interior to ensure well-balanced and very dynamic music reproduction
- 9-channel DSP amplifier with a total output of 590 watts (7 x 50 W and 2 x 120 W) for maximum sound quality with very high volume reserves
- Frontbass® technology with woofers integrated into the dash for vibrant bass reproduction
- Combination of digital and analogue filter elements for the unique Burmester® "feel-good sound"
- Sound optimization for the front and rear seats
- Noise compensation (VNC)
- Sound preset: surround function to generate virtual all-round sound
- Support for popular multi-channel formats such as Dolby Digital 5.1/DTS for example, for true surround sound

Mercedes-Benz Intelligent Drive – Overview

Mercedes-Benz Intelligent Drive – Overview

Included in Premium 3 Package (P03)

“Mercedes-Benz Intelligent Drive” is a gateway to a more autonomous & accident-free driving which increases safety for all drivers on the road. The following lists all features that are available with the all new E-Class:

- Active Distance Assist DISTRONIC®, Active Steering Assist, Active Lane Change Assist, Active Emergency Stop Assist, and Active Speed Limit Assist
- **Active Brake Assist with Cross-Traffic Function**
- **Evasive Steering Assist**
- PRE-SAFE® PLUS
- **PRE-SAFE® Impulse Side**
- Active Lane Keeping Assist
- Active Blind Spot Assist

Mercedes-Benz Intelligent Drive

Mercedes-Benz Intelligent Drive *Included in Premium 3 Package (P03)*

- Active Steering Assist generates steering torque which helps the driver to keep the vehicle in the center of its lane (straight roads and slight bends), taking its guidance from vehicles ahead and road lane markings
- Active Lane Change Assist helps the driver with changing lanes by means of steering torque when the driver initiates the change by activating the turn indicator and the system does not detect another vehicle in the adjacent lane
- Extended tolerance for the hands-off warning of Active Steering Assist with intelligent hands-on detection
- Active Emergency Stop Assist brakes the vehicle to a controlled stop if the system detects that the driver is permanently distracted or is no longer able to operate the vehicle
- Active Distance Assist DISTRONIC® maintains the selected distance from the vehicle in front, and works in the speed range from 0 – 130 mph, also reacting to stationary vehicles at low speeds

Mercedes-Benz Intelligent Drive – Active Brake Assist with Cross-Traffic Function

Mercedes-Benz Intelligent Drive – Active Brake Assist with Cross-Traffic Function

Included in Premium 3 Package (P03)

- The system is able to reduce the risk of collisions and accidents at road junctions
- Monitoring of traffic situation ahead of the vehicle by means of radar sensors and stereo multipurpose cameras
- Vehicles travelling ahead are detected up to a speed of 130 mph
- Crossing traffic and bicyclists are registered up to a speed of 45 mph, as well as pedestrians who are stationary or moving slowly in the path of the vehicle
- When danger of a collision is detected, the system gives a visual and audible warning and brakes
- If the driver firmly applies the brakes, the system calculates the brake pressure that would be needed to prevent a collision
- If a collision cannot be prevented, the impact speed is reduced as much as possible by emergency braking

Mercedes-Benz Intelligent Drive – Evasive Steering Assist

Mercedes-Benz Intelligent Drive – Evasive Steering Assist

Included in Premium 3 Package (P03)

- When the driver deliberately or instinctively performs an evasive maneuver in a dangerous situation (pedestrian crossing the street), Evasive Steering Assist provides assistance by adding precisely calculated steering torque to support the movement of the steering wheel
- This helps the driver to avoid a pedestrian in a controlled manner while subsequently facilitating the movement of the vehicle to allow the situation be negotiated safely

Mercedes-Benz Intelligent Drive – PRE-SAFE Impulse Side

Mercedes-Benz Intelligent Drive – PRE-SAFE® Impulse Side

Included in Premium 3 Package (P03)

- PRE-SAFE® Impulse Side initiates preventative protective measures against an impending side impact, supplementing the measures taken by PRE-SAFE® and PRE-SAFE® PLUS
- In the event of a side impact, PRE-SAFE® Impulse Side can have a positive effect by increasing the distance between the occupant and the door, and at the same time reducing the relative speeds between the side structure and the occupant's torso
- In the event of a recognized, unavoidable side collision, the system can give the driver or front passenger a slight push towards the center of the vehicle on the side facing the impact
- This lateral impulse is initiated by very rapid inflation of an air chamber in the seat bolster

Specifications

AMG E43 (213.064)

- MSRP \$72,400
- AMG-enhanced 3.0L V6 biturbo engine
- 396 hp
- 384lb-ft
- 4.5 sec (0-60 mph)
- Launch date: Summer/2017

AMG E63 S (213.089)

- MSRP \$104,400
- Handcrafted AMG 4.0L V8 biturbo engine
- 603 hp
- 627 lb-ft
- 3.3 sec (0-60 mph)
- Launch date: Summer/2017

Standard Equipment

- AMG-enhanced 9G-TRONIC transmission w/ shift paddles (*E 43 only*)
- AMG SPEEDSHIFT® MCT 9-speed transmission (*E 63 S only*)
- AMG Performance 4MATIC (*E 43 only*)
- AMG Performance 4MATIC+ (*E 63 S only*)
- AMG DYNAMIC SELECT
- Blind Spot Assist
- KEYLESS-GO
- Power tilt/sliding sunroof
- Burmester® Surround Sound System
- 19" AMG wheels (*E 43 only*)
- 20" AMG wheels (*E 63 S only*)
- Static LED Headlamps
- AMG Dynamic Engine Mounts (*E 63 S only*)
- Inductive Wireless Charging w/ NFC Pairing 

Optional Equipment

- Soft-close doors
- 3-zone climate control
- AMG Nut Brown Nappa leather
- AMG Macchiato Beige Nappa leather
- *designo* Magnolia w/ Flowing Lines wood
- *designo* Black Piano Lacquer Flowing Lines wood
- Metal Weave trim
- Intelligent Drive systems
- Warmth & Comfort Package
- Acoustic Comfort Package
- Edition 1 Package (*E 63 S Only - Non-Orderable*)

Paints

- Selenite Grey metallic
- *designo* Selenite Grey Magno
- Piedmont Green metallic

Handcrafted AMG 4.0L V8 biturbo engine (M177 E40DEH LA AMG)

Handcrafted AMG 4.0L V8 Biturbo engine (M177 E40DEH LA AMG)

Standard (E 63 S only)

- **Aluminum crankcase** featuring a racing inspired closed-deck design
 - The area around the cylinders' coolant enclosure is closed off at the top and is only perforated by cooling channels
 - This makes the engine block more rigid and able to withstand greater loads
- **Forged, lightweight aluminum pistons** – high performance and low weight
- **Two Twin-scroll turbochargers** with separate exhaust channels
 - Positioned between the cylinder heads for faster response
 - Inspired by Formula 1
 - Keeps engine compact, improves turbo response and lowers emissions
 - Separate exhaust channels prevent turbos from having a negative impact on each other during load/directional changes, and enables faster spooling/buildup of turbo pressure
- **Dynamic Engine Mounts** – Adjust to DYNAMIC SELECT mode and driving conditions
 - “Soft Mounts” for Comfort – Reduces engine noise and vibration
 - “Hard Mounts” for Sport – Increases steering precision
- **Variably Adjustable Inlet and Outlet Valves**
 - Filled with sodium
 - Light weight

AMG Performance 4MATIC+

AMG Performance 4MATIC+

Standard (E 63 S only)

The performance-oriented all-wheel drive with fully variable torque distribution combines optimal traction, hallmark AMG driving dynamics, and the ultimate in driving enjoyment. It enhances driving safety and adhesion on wet or wintry road surfaces while at the same time allowing an emotional drifting experience. This is made possible by the fully variable torque distribution, offering the driver the benefits of all-wheel drive and rear-wheel drive in equal proportions.

An electronically controlled clutch provides for variable connection of the permanently-driven rear axle with the front axle. The ideal torque distribution is calculated continuously, according to the given driving situation and the driver's wishes. This enables a seamless transition from traction-oriented all-wheel drive to 100% rear-wheel drive. In addition to traction and transverse dynamics, the all-wheel drive also improves the longitudinal dynamics of the vehicle for even more dynamic acceleration.

- Combines the advantages of an all-wheel drive with those of a rear-wheel drive: optimum traction, hallmark AMG vehicle dynamics, and maximum driving pleasure
- Drift capability, as fully variable torque distribution means that 100% rear-wheel drive is possible
- Improved handling safety and road holding on wet or wintry road surfaces
- Improved longitudinal dynamics for even more aggressive acceleration
- The compact, lightweight design avoids any loss of space in the interior

AMG Sport Suspension based on AIR BODY CONTROL

AMG Sport Suspension based on AIR BODY CONTROL

Standard on all models

Features of the AMG Sport Suspension based on AIR BODY CONTROL with continuously adjustable damping:

- Air suspension struts at the front and rear axle
- Dampers with separate valves for adjusting the compression and rebound phases
- Sensors for damping and level control
- Camber stability increased by 30% vs. previous W212 E63
- Vehicle characteristics can be varied from comfortable through to sporty using the DYNAMIC SELECT switch
- Constant vehicle level irrespective of load, thanks to pneumatic all-round self-levelling suspension
- Suspension level can be raised for poor surfaces and is automatically lowered at high speeds
- Four-link front axle design
 - Uses forged aluminum components with wishbones, strut rod and spring link.
- Multi-link rear axle design
 - Increased stiffness and wheel control
 - New design allows for wider rear track than previous W212 AMG
 - A tubular anti-roll bar (similar to what's found in the AMG GT R) reduces weight of rear axle

AMG SPEEDSHIFT MCT 9-Speed Transmission

AMG SPEEDSHIFT MCT 9-Speed Transmission

Standard (E 63 S only)

MCT stands for Multi-Clutch Transmission, whereby an innovative wet start-off clutch running in an oil bath replaces the conventional torque converter. Thanks to its low rotational inertia, the transmission responds instantaneously without the losses typical of a torque converter. This helps to reduce fuel consumption. A further merit of the MCT transmission is its low weight thanks to its magnesium housing.

Added driving pleasure, added safety – the double-clutching function

Ultra-fast, responsive, multiple downshifts are another forte of the AMG SPEEDSHIFT® MCT 9-speed transmission. The driver can change via kick down directly from 9th into 6th or from 5th into 2nd gear, for example. The automatic double-clutching function is active in drive programs "S", "S+", "RACE", and "M". Each manual or automatic downshift is accompanied by a precisely metered blip on the throttle – with rising intensity from "S" through to "RACE" and "M". This not only heightens the emotional appeal: downshifting minimizes the load cycles, which has a particularly positive effect when braking into corners and makes for improved handling safety on wet and slippery surfaces.

For a perfect start – the RACE START function

The RACE START function ensures optimal acceleration from a standing start. It can be activated when the vehicle is stationary in the AMG DYNAMIC SELECT drive programs "S", "S+" or "RACE". To activate, the driver is required to hold down the brake pedal with their left foot while simultaneously flooring the accelerator pedal (kick down). The driver can then increase or lower the pulling-away engine speed as appropriate, according to the prevailing road conditions. When the driver now releases the brakes while continuing to floor the accelerator pedal, the vehicle accelerates with the best possible traction.

Optimizing Efficiency

- **AMG Cylinder Management**

- Cylinder deactivation system first introduced on the SLK55, but the use of it in the E63 S marks the first time Mercedes-AMG has put the system in a turbocharged car
- Activates automatically when:
 - Car is in 'Comfort' DYNAMIC SELECT Mode
 - Engine speed is between 1,000 and 3,250 RPM
- When deactivation occurs:
 - Cylinders 2, 3, 5 and 8 are shut down
 - AMG Main Menu informs driver that the system is in use

- **Transmission**

- When car is in 'Comfort,' the transmission is configured for the most fuel-efficient operation:
 - Transmission shifts up into higher gears noticeably earlier, lowering consumption and also engine noise
 - Gliding function uncouples the engine from the drivetrain to 'glide' at idle speed, for instance on a long downhill stretch
 - Gliding occurs between 37 and 99 mph. When driver lifts foot off of gas, transmission opens clutch and engine is decoupled from drivetrain
 - Comfort is also tuned for a 'soft' accelerator pedal curve/perceived power deliver and less aggressive gear changes for a smoother driving experience

Performance & Handling

- AMG-enhanced 3.0L V6 Biturbo engine (E43)
- Handcrafted AMG 4.0L V8 Biturbo engine (*E63 S*)
- AMG-enhanced 9G-TRONIC transmission (E43)
- AMG SPEEDSHIFT® MCT 9-speed transmission (*E63 S*)
- AMG Performance 4AMTIC (E43)
- AMG Performance 4MATIC+ all-wheel drive (*E63 S*)
- AMG Sport Suspension based on AIR BODY CONTROL
- 19" & 20" AMG wheels
- AMG DYNAMIC SELECT
- Dynamic engine mounts (*E63 S*)
- Differential, AMG electronic limited-slip (*E63 S*)
- AMG exhaust with single exhaust flap (*E63 S*)

Comfort & Convenience

- 64-color Ambient lighting
- Bluetooth® connectivity
- COMAND® navigation
- LED headlamps
- Power front seats w/ 3-position memory and 4-way power driver's lumbar support
- Power tilt/sliding sunroof
- Smartphone Integration with Apple CarPlay™ & Android Auto
- 40/20/40-split folding rear seats
- Sport steering wheel with Touch Control Buttons
- Touchpad w/ central controller
- 5 years of mbrace® Connect
- Active Parking Assist
- SiriusXM® All-Access w/ trial period
- KEYLESS-START
- Comfort Package
- KEYLESS-GO® with HANDS-FREE ACCESS
- Electronic trunk closer
- IWC "Ingenieur" analog clock
- Heated and ventilated front seats (*E63 S only*)
- AMG Nappa leather upholstery (*E63 S only*)
- Inductive Wireless Charging w/ NFC Pairing 

Safety & Security

- Active Brake Assist
- ATTENTION ASSIST®
- Car-to-X Communication
- Crosswind Assist
- LED headlamps and taillamps
- PRE-SAFE®
- PRE-SAFE® Sound
- Tire Pressure Monitoring System (TPMS)
- Blind Spot Assist
- Rearview Camera

Brakes

AMG Sport Brakes

Standard on E 43 (E43 only)

4-piston front and 1-piston rear calipers

- Front axle: brake disc measuring 14.2 inch, internally ventilated and perforated with 4-piston fixed caliper
- Rear axle: brake discs measuring 14.2 inch, internally ventilated 1-piston floating caliper
- Grey-painted brake calipers with “AMG” lettering

AMG High-Performance Composite Braking System (U70)

Standard on E 63 S (E63S only)

6-piston front and 1-piston rear calipers

- Front axle: composite brake disc measuring 15.4 x 1.4 inch, internally ventilated and perforated with 6-piston fixed caliper
- Rear axle: brake discs measuring 14.2 x 1.0 inch, internally ventilated and perforated with 1-piston floating caliper
- Increased fade resistance and reduced thermal deformation of brake discs
- Red-painted brake calipers with “AMG” lettering

AMG High-Performance Ceramic Composite Braking System (B07)

Option price: \$8,950 (E63S only)

6-piston front and 1-piston rear calipers

- Front axle: composite ceramic disc with a diameter of 15.8 x 1.5 inch, internally ventilated and perforated, with 6-piston fixed caliper
- Rear axle: integral brake disc with a diameter of 14.2 x 1.3 inch, internally ventilated, perforated and grooved with 1-piston floating brake caliper
- 40% weight savings compared to conventional brake discs
- Bronze-painted brake calipers with “AMG Carbon Ceramic” lettering

Steering Wheels

Multifunction Sport Steering Wheel in Nappa Leather (L5C)

Standard on the E43.

N/A on the E 63 S.

- Features a flattened bottom section
- Heavily embossed grip area
- Silver-colored aluminum shift paddles

AMG Performance steering wheel in Nappa leather / DINAMICA (L6I)

Standard on the E 63 S.

Optional on the E43.

- Features a flattened bottom section
- Grip is finished in DINAMICA microfiber
- Silver-colored aluminum shift paddles
- 12-o'clock marking

AMG Performance steering wheel in Nappa leather (L6J)

Optional on the E 63 S.

- Features a flattened bottom section
- Perforated grip area
- Silver-colored aluminum shift paddles
- 12-o'clock marking

Headlamps

LED Headlamps (632)

Standard on all models

- Excellent illumination of the road
- New LED taillamps
- Distinctive look during day and night
- Low energy consumption
- Color of emitted light more similar to that of daylight
- Much longer bulb life

LED Intelligent Light System (640)

Optional on all models

- Excellent illumination of the road
- Integrated LED daytime running lamps
- LED low-beam and LED high-beam technology
- New LED taillamps
- Adaptive Highbeam Assist automatic high-beam control
- Automatically activated low-speed cornering lights
- Headlamps move alongside steering input for significantly better illumination in bends
- Distinctive look during day and night

Option price: \$tba

Only available on the E 63 S.

Requires 555 upholstery, as well as P02, P03 or P04 Package

AMG Performance seats (555)

Edition 1 Exterior (1/2) (P88)

- Edition 1 (P88) – **Non-Orderable**
- AMG Night Package (521)
- *designo* Night Black Magno (056)
- 20" AMG Forged Cross-Spoke Wheels (RTS)
- AMG Black Nappa leather w/ yellow topstitching (571)

Edition 1 Interior (2/2) (P88)

- Edition 1 (P88) – **Non-Orderable**
- AMG Night Package (521)
- *designo* Night Black Magno (056)
- 20" AMG Forged Cross-Spoke Wheels (RTS)
- AMG Black Nappa leather w/ yellow topstitching (571)

AMG Performance Exhaust System (U78)

AMG Performance Exhaust System (U78)

Option price: \$1,250 (E 63 S only)

- Stronger differentiation of the sound characteristics by means of two additional exhaust flaps
- Sound characteristics dependent on selected drive program – clear differentiation between rich in drive programs “C” and “S” and emphatically sporty in drive programs “S+” and “Race” (only for E 63 S)
- Additional control of the sound characteristics by means of a button in the middle control panel of the center console
- Control by means of variably adjustable exhaust flaps – without loss of power
- Control of the exhaust gas flaps is dependent on both engine speed and load, ensuring 100% power delivery
- Double declutching (in “S”) and a misfire (in “S+” and “Race”) emphasize the sporty characteristics of the particular drive programs

AMG Night Package on the E 63 S (521)

Window trim strip in high-gloss black

AMG rear apron trim in high-gloss black

Black chrome-plated twin tailpipe trim elements

Mountings on the louvres of the outer air intakes in high-gloss black

A-wing in high-gloss black

Lamella grille in silver chrome

AMG Exterior Carbon Fiber Trim Package (773) on the E 63 S - (1/2)

AMG Exterior Carbon Fiber Trim Package (773) on the E 63 S - (2/2)
