Poly Studio X52
& TC10
Medium Room

Dramatically improve meetings
Specifically engineered to improve video conferencing experiences, the Poly Studio X52 all-in-one video bar simplifies and enhances meetings in mid-sized spaces. Bring meeting equality to attendees both in and out of the room with innovative audio and video experiences.

Choose how you join a call
Provide users all the flexibility they need to join any cloud video call with built-in apps, standards-based protocols, or by using their personal devices connected to the room system.
Everyone is seen and heard
Everyone is represented equally on the call with pinpoint-accurate, AI-enhanced automatic framing and smart audio filtering technologies from Poly.

Enterprise-grade management
Make collaboration better with Poly Lens remote device management software. Give IT better visibility and the power to make impactful changes.

95°
