BROADBAND

FIBRE BROADBAND PROMOTIONS TERMS & CONDITIONS

Terms and Conditions - Offers and premiums are valid till 11 Jan 2025, unless stated otherwise and while stocks last. Terms and conditions apply. Singapore Telecommunication Ltd ('Singtel') reserves the right to change the prices offered at Singtel.com/shop without any prior notification.

For full Fibre Broadband Terms and Conditions, please visit <https://www.singtel.com/fibre-broadband-terms>. Singtel reserves the right to amend, change or withdraw any terms and conditions without prior notice.

Typical local download speed range for Singtel Fibre Plans:

1Gbps & Unlimited Fibre Plan: 925.95 – 927.01Mbps
2Gbps Fibre Plan*: 1810.37-1846.10Mbps
3Gbps Fibre Plan: 2479.59-2768.89Mbps
5Gbps Fibre Plan: 4611.37-4665.38Mbps
10Gbps Fibre Plan: 7470.99-8014.25Mbps

The typical download speed range is computed to reflect that at least 90% of the time, a user should experience the lower bound speed or higher. Results above were validated in October - December 2024 For more information, visit www.singtel.com/personal/support/broadband/typical-download-speeds.

*Based on each available active GbE LAN port on the Optical Network Router. 2Gbps Fibre Home Bundle allows for the maximum throughput of 1Gbps per LAN network port, and an aggregated maximum throughput of 2Gbps per household based on two concurrent download connections. Speed testing on any individual LAN port will show a maximum throughput of 1Gbps plan.

Fibre Broadband: A 24-month contract applies. A registration fee of \$54.50 for Fibre Home Bundle will be waived for NEW sign ups. All NEW fibre bundle comes with FREE Wireless Dual-band AC Access Point and home line. Singtel Extended Warranty T&Cs

Singtel Extended Warranty Programme is valid for all Singtel Mobile and Broadband customers that purchase Lifestyle product from Singtel. Extended Warranty will only start upon the expiry of the manufacturer's warranty. The duration of Extended Warranty coverage will be determined by the number of years for which the customer has signed up, with a maximum limit of 3 years. For the full terms and conditions of the Singtel Extended Warranty Programme, please click here <https://www.singtel.com/content/dam/singtel/personal/products-services/lifestyle-services/extended-warranty/pdfs/singtel-extended-warranty-tnc.pdf>.

FibreEverywhere Bundle. The FibreEverywhere Bundle comes with a minimum subscription period of 24-months ("Minimum Subscription Period") and service will start from the installation date, where you will be provisioned both (A) only a 10Gbps bandwidth from the 10Gbps Enhanced Plan and (B) FibreEverywhere Add-Ons. For avoidance of doubt, this 10Gbps Enhanced Plan (stated in (A)) provided with FibreEverywhere Bundle is distinct and different from the "10Gbps Enhanced Fibre Home Bundle", and you will not be provisioned with the XGSPON ONR and the WiFi router that are provided only in the "10Gbps Enhanced Fibre Home Bundle". 10Gbps Enhanced Plan with FibreEverywhere Add-Ons provides for a maximum total bandwidth of up to 6.5Gbps where all aggregated download or upload speeds will be up to 6.5Gbps.

FibreEverywhere Add-Ons. The FibreEverywhere Add-Ons consists of (i) FibreEverywhere Main Room Add-On, and (ii) FibreEverywhere Additional Room Add-Ons. The Add-Ons provide WiFi coverage of up to 20m² per room subscribed, provided there is no obstruction from the FibreEverywhere Add-On to the end-users' device. You will need to minimally have at least one (1) FibreEverywhere Main Room Add-On, and one (1) FibreEverywhere Additional Room Add-Ons as part of your FibreEverywhere Bundle.

FibreEverywhere Main Room Add-On. The FibreEverywhere Main Room Add-On consists of four Gigabit Ethernet LAN network ports which provide a maximum throughput of 1Gbps per port. It also consists of one optical port which provides a maximum throughput of 2.5Gbps to the FibreEverywhere Additional Room Add-Ons.

FibreEverywhere Additional Room Add-On. The FibreEverywhere Additional Room Add-On consists of one Gigabit Ethernet LAN network ports which provides a maximum throughput of 1Gbps, and one 2.5 Gigabit Ethernet LAN port which provides a maximum throughput of 2.5Gbps.

Minimum Subscription Period. The Minimum Subscription Period for the FibreEverywhere Bundle is twenty-four (24) months, inclusive both the 10Gbps Enhanced Plan and FibreEverywhere Add-Ons (or such other period as we may stipulate from time to time). Usual price of \$139/mth for 10Gbps Enhanced Plan and \$20/mth for each FibreEverywhere Add-On will apply after the Minimum Subscription Period and shall carry on in effect unless terminated by either you or us. If you have subscribed to additional FibreEverywhere Add-Ons after the effective date of your initial FibreEverywhere Bundle's subscription, the additional FibreEverywhere Add-Ons Minimum Subscription Period will commence on the date its subscription, and their minimum subscription period(s) will differ from the main FibreEverywhere Bundle's Minimum Subscription Period. All FibreEverywhere Add-Ons will be subject to Early Termination Charge as stated in Clause 2 (Contract Periods and Termination) in these Fibre Broadband Terms.

Expiry of Minimum Subscription Period. As per Clause 2.5 (Expiry of Minimum Subscription Period) in the general terms, you will not be able to change (whether upgrading or downgrading) your FibreEverywhere Bundle until you have completed your Minimum Subscription Period. If you do, Early Termination Charges shall apply for both the 10Gbps Enhanced Plan and the FibreEverywhere Add-Ons. Downgrade penalties will apply if applicable.

FibreEverywhere Site. FibreEverywhere shall be provided only at the place of residence provided in the Service Agreement. If you have a change of residence while still in contract, please apply for relocation to shift your FibreEverywhere service to your new residence. Do note that separate installation charges and relocation charges may apply at your new residence for the setup of FibreEverywhere.

FibreEverywhere Equipment. We may provide you with a Fibre to the Room (“FTTR”) Router, Mesh, Access Terminal Box (“ATB”), splitter, and fibre wire amongst others (collectively termed the “FibreEverywhere Equipment”) as part of the FibreEverywhere Add-On service. Do note that FibreEverywhere Equipment will not be able to work with your existing WiFi equipment to form a single mesh network. The FibreEverywhere Equipment remains our property and must be returned to us at any location notified by us upon termination of the Fibre Broadband Service. If the FibreEverywhere Equipment are not returned within seven (7) days of termination, you will be charged as follows:

Equipment (charged per device not returned)	Price (\$) (subject to prevailing GST)
--	---

XGS FTTR Router	\$149.99 (GST included)
XGS FTTR Mesh	\$149.99 (GST included)

FibreEverywhere Equipment. The FibreEverywhere Equipment remain our property and must be returned to us upon termination of your FibreEverywhere Bundle at any location stipulated by us. You will be responsible for any damage to, or loss or non-return of, the FibreEverywhere Equipment caused by any reason whatsoever, including wilfulness or negligence by you or any third party, acts of Force Majeure, natural disaster, fluctuations in power supply or any error or act or omission by you or any third party. All repair or replacement charges, based on our prevailing rates, shall be paid by you. We may at our sole discretion waive such repair or replacement charges during the effective period of your FibreEverywhere Bundle subscription.

Installation of FibreEverywhere Equipment. In addition to any general terms stated in Clause 9 (Installation of Singtel Fibre Broadband Equipment), as may be applicable, these additional terms of installation for FibreEverywhere shall apply. We will only install equipment issued by us and installation covers FibreEverywhere Equipment. Installation charges may apply depending on the complexity of the FibreEverywhere setup. We reserve the right to replace any equipment with a model of our choice. If you have existing ONTs or ONRs, and you recontract with us, you will receive new FibreEverywhere Equipment. Installation charges are as per the table below:

FibreEverywhere Installation Charges	Price (\$) (Subject to prevailing GST)
FibreEverywhere Installation Charge (High Rise Single-storey)	\$300.00
FibreEverywhere Installation Charge (High Rise Single-storey) - Additional Room	\$50.00
FibreEverywhere Installation Charge (High Rise Single-storey) - Additional Level	\$50.00
FibreEverywhere Installation Charge (Multi-storey/Landed)	\$500.00
FibreEverywhere Installation Charge (Multi-storey/Landed) - Additional Room	\$50.00
FibreEverywhere Installation Charge (Multi-storey/Landed) - Additional Level	\$50.00

Time Required for Installation. Installation may take up to one (1) hour per every room requested for in the FibreEverywhere Add-On. However, depending on the complexity of the layout, installation times may vary beyond the one (1) hour per room. You or your authorized representative will be required to be present during the installation. In the event that our installers have gone down and there is no access to the premises for the installation appointment/ are required to return on a separate day not due to our fault, we reserve the right to charge for additional installation fees.

On-Site Installation. You acknowledge and is aware that the on-site assessment, installation, maintenance and dismantling of FibreEverywhere Equipment ("Installation of FibreEverywhere Add-On") may cause damage to your property, furniture and fixtures during the on-site Installation of FibreEverywhere Add-On. We are not liable to you

for any costs, loss, liability or damage (whether direct, indirect or consequential) arising out of these Terms and Conditions or the Installation of FibreEverywhere Add-On, including damage to your property, arising in any way, including in tort, negligence, breach of statutory duty or in contract.

FibreEverywhere Maintenance. You acknowledge and is aware that the Installation of FibreEverywhere Add-On may cause damage to your property, furniture and fixtures during the on-site Installation of FibreEverywhere Add-On. We are not liable to you for any costs, loss, liability or damage (whether direct, indirect or consequential) arising out of these Terms and Conditions or the Installation of FibreEverywhere Add-On, including damage to your property, arising in any way, including in tort, negligence, breach of statutory duty or in contract.

FibreEverywhere Termination. After termination of FibreEverywhere Bundle/Add-On services, FibreEverywhere Equipment must be returned at the end of the service to us. Failure to return FibreEverywhere equipment will result in a "lost equipment" charge levied on the final bill. Charges will only be reversed once equipment is returned and accounted for. Once you have terminated the FibreEverywhere Add-On service and does not have further services with us, dismantling services will not be available to you. If you terminate your 10Gbps Enhanced Plan, your FibreEverywhere Add-On Service shall automatically be terminated.

FibreEverywhere Dismantling. We do not offer dismantling service of any FibreEverywhere infrastructure during and/or after the service. We will not be liable for any damages done in the process of any fibre dismantling services called upon by you. You would have to find your own personal contractors to repair any residue left or damage that results from the dismantling of the fibre line.
