FEATURES & BENEFITS

PRECISE CONTROL

The consistent flame and heat distribution of the burners, including the wok burner, combined with highly responsive dials offer precise heat control. Perfect a slow simmer for sauces or an intense heat for searing steaks.

EASY HANDLING

With flat cast-iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.

SAFE AND SOUND

The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

COMPLEMENTARY DESIGN

The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

EASY TO CLEAN

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform, with rubber feet to prevent them from scratching the cooktop.
