## 32 cu. ft. Mega Capacity 3-Door French Door Refrigerator with Beverage Center in Stainless Steel

### Signature Features

#### Mega 32 cu. ft. Capacity

Store more groceries with more room to stay organized. Mega 32 cu. ft. capacity fits big and bulky items with easy access to everything you need.

#### Beverage Center

Enjoy easy access to refreshingly cool, filtered water in two ways with Beverage Center. Choose from an internal dispenser or a built-in AutoFill Water Pitcher that automatically refills, with the option to infuse with a flavor.

#### Dual Auto Ice Maker

Enjoy your favorite beverage with your choice of ice. Choose from cubed ice or Ice Bites™ that chill your drink faster.\*

\*Compared to cubed ice.

## 32 cu. ft. Mega Capacity 3-Door French Door Refrigerator with Beverage Center in Stainless Steel

### Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimensions and cutout information is for planning purposes only. For complete installation details, consult manual packed with product or download manual online at [samsung.com](http://samsung.com).

### Dimensions

**Total Capacity: 31.5 cu. ft.**

**Refrigerator: 22.3 cu. ft.**
