superior premium sound

**User's Manual: Item V60040BT**

HDMI AUX-IN OPTICAL INPUT

## Introduction

Thank you for purchasing the 2.0 Channel Soundbar, item V60040BT. Enhance your audio by connecting this speaker your television. You can also listen to music wirelessly using a Bluetooth compatible device. In order to get the best results, please read this manual first before using your soundbar.

## Important Safety Precautions

When using your 2.0 Channel Soundbar, basic safety precautions should always be followed including:

1. Do not allow children to play with your speaker. Adult supervision is strongly advised.
2. Do not use your speaker near water, in wet conditions, or put on wet surfaces.
3. Do not expose your speaker to excessive heat, fire, or direct sunlight. Do not expose your speaker to temperatures above 104°F.
4. This product should not be handled roughly. Always press the buttons and switches carefully.
5. Do not use in extremely dry environments. This can lead to static discharge during usage.
6. Do not tamper with the electrical housing of your speaker.
7. Do not attempt to repair this product yourself. Contact a qualified service center if your speaker is in need of service.
8. Do not expose your speaker to extreme physical force.
9. Your speaker is not intended for commercial use.
10. Do not place this product near objects that generate a strong magnetic field.
11. Unplug your speaker when not in use for long periods of time and during lightning storms.
12. Use a soft cloth to clean the exterior of speaker. Never use any harsh chemicals or detergents.
13. Please recycle or dispose of your speaker properly based on the laws and rules of your municipality. Contact local recycling facilities and/or the manufacturer of your speaker for further information.

## **Fcc Statement**

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.
