

Getting Started with LG webOS TV

Home Tutorial

Using the Home Feature of the LG webOS TV

You can open the Home screen by pressing the  button on your remote control. Roll the **Wheel (OK)** button on the Magic Remote to scroll through the menu. You can open apps and content or use various features of the smart TV.

- Standard remote control allows you to scroll through the menu with the / buttons.

- 1 You can check weather information and useful TV features.
- 2 You can log in to your **LG Account** or view basic information about the account to which you are currently logged in.
For more information, see **Getting Started with LG webOS TV → Managing Your LG Account** in **User Guide**.
- 3 Launch **Search**.
To see the details, click the **Apps and Content → Content Search** in **User Guide**.
- 4 Returns to the most recently used TV or external input.
- 5 You can get recommendations from various channels and programs.
 - You must log in to your LG account to get personalized content recommendations.
 - You must connect to the network to use the recommendation feature.
- 6 You can run, move, and delete the apps installed on your TV.
