

Isomers LX Diamond Peptide Power Duo

324-367

How to Use:

Isomers LX Diamond Peptide Spicule Exfoliating Peel: Apply evening after cleansing. Gently apply an even layer onto face and neck area. Avoid eye area. Leave overnight. For optimal results, apply every 7-10 days.

Isomers LX Diamond Peptide Exosome Perfecting Serum: Apply morning and evening after cleansing. Massage gently in upward circular motions. In the morning, proceed with Platinum Peptide Brightening Cream. In the evening, proceed with Gold Collagen Peptide Firming Cream.
