CARE INSTRUCTION

Wipe clean with a cloth dampened in a mild cleaner.

Wipe dry with a clean cloth.

GOOD TO KNOW

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, only into small pieces, never into sharp fragments.

Two persons are needed for the assembly of this furniture.

SAFETY

This furniture must be fixed to the wall with the enclosed wall fastener. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

Tradition meets technology!

Don't be fooled by the turned legs, intricate mouldings and tongue and groove joinery. LIATORP may look antique but it has plenty of room for the wonders of technology. The series comprises tables, cabinets and bookshelves. They're perfect for everything from DVD players and CDs, to your grandmother's dishes and your child's drawings. With LIATORP you can decorate in a country style throughout your kitchen, living room and home office – without compromising on your family's new traditions.

The finishing touch

The décor strip on the bookcase is one of the details that gives LIATORP its distinct country styling. But the décor strips have a practical function too. You can use them to join two or more bookcases. This makes them appear as one continuous bookcase with a long décor strip. Like a custom-made bookcase, built by a carpenter!

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

HOW TO BUILD

First, think about what you have and how much you need to store - books, CDs, photo albums, etc. Then choose one, two or more bookcases. They work just as well in your

bedroom as in the home office. Combine with doors to suit your needs and preferences.

GOOD TO KNOW

1. Cornice and plinth rail help create a uniform expression when two or more units are connected together.
2. Adjustable shelves; adjust spacing according to your needs.
3. Adjustable feet; stands steady also on an uneven floor.

4. Cord outlet at the back; keeps cords in place.
5. Panel doors protect your books from dust and light and hide things that you don't want to show.

COMBINATIONS

A simple unit can be enough storage for a limited space or the foundation for a larger storage solution if your needs change. Panel/glass doors provide dust-free storage and let you hide or display things according to your needs.

Overall size: 96×214 cm

This combination: 190.287.54

The wall/bridging shelf connects two sections and provides space for a large flat screen TV; can also be hung separately on the wall. Generous drawers, for TV games and other accessories.

Overall size: 337×214 cm.

This combination: 390.460.64

Cornice and plinth rail help create a uniform expression when two or more units are connected together. Combine both open and concealed storage; display the things you want - keep the rest safe behind closed doors.

Overall size: 276×214 cm

This combination: 990.464.43

With a spacious storage solution everything has its place; makes it easy to find your things.
