Power Sport™

More power, more fun!

Champion Power Sport™ was **especially developed for all kinds of powered sport vehicles**, like motorcycles, all-terrain vehicles, snowmobiles and personal watercrafts. The goal: to **optimise performance** and to **reduce carbon build-up** causing reduced throttle response, loss of power and difficulty in starting.

Champion engineers enhanced the **design of the firing end** to deliver sure starts, more power and faster throttle response. A thin-wire centre electrode allows for maximum power, while the **increased clearance between shell and core nose** promotes better scavenging of deposits that cause fouling.

The Power Sport™ plug in detail:

Q-Type Racing Specification Suppressor:
for Radio Frequency Interference (RFI) Protection

Extra strong terminal:
to endure under extreme use

Power Boost Firing End:
extra strong terminal for more power
and maximum fouling protection

**Thermal Contour Firing Tip
(to 1.3mm):**
prevents deposits and plug
overheating

Double Copper Technology

- Copper Core Centre Electrode
- Copper Core Ground Electrode

YOUR BENEFITS

- Sure starts, more power, better throttle response
- A more dynamic heat range
- Prevents carbon deposit and misfiring
- Suitable for extreme use
- Longer lifetime

Nous excluons toutes réclamations ayant pour objet ce catalogue ou pouvant résulter de son incompréhension, portant sur de mauvaises utilisations, manipulations, manutentions ou mauvais stockage. Des droits contractuels et des droits dérivés, de quelque nature qu'ils soient, ne peuvent résulter que d'un accord écrit, particulièrement sur la base de nos conditions générales de ventes et de livraisons. Ce catalogue annule et remplace toute édition antérieure. Le catalogue n'est pas une notice d'utilisation et de montage des balais d'entretien. Il ne contient pas de directives en tant que telles. Le catalogue ne remplace ni les prescriptions techniques, toujours prioritaires, particulièrement pour les tolérances, ni les prescriptions de montage et d'entretien des constructeurs automobiles. Il ne peut en aucun cas remplacer les connaissances professionnelles nécessaires pour le montage et l'utilisation. Les remarques données pour le montage et l'utilisation des balais d'entretien sont exclusivement destinées au professionnel averti et de formation technique, à qui il appartiendra de vérifier la conformité des indications pour chaque cas. La responsabilité des décisions d'utilisation ne peut être prise en charge par Federal-Mogul. Le contenu de ce catalogue ne peut constituer ou remplacer un contrat qui doit faire l'objet d'un document séparé établi entre 2 parties, dont l'une doit être une entité légale de Federal-Mogul dont la liste figure sur la couverture arrière. Nous nous réservons le droit d'apporter des corrections d'erreurs et modifications, suite notamment à de nouvelles données fournies par les constructeurs.

Vorderingen wegens schade, in elke vorm, ten gevolge van informatie in deze catalogus of door verkeerd gebruik, toepassing, opslag of transport, zijn nadrukkelijk uitgesloten. Contractuele rechten en elke resulterende of daaraan gerelateerde aanspraken op basis daarvan, onafhankelijk van de vorm, ontstaan in eerste instantie op basis van een aparte schriftelijke overeenkomst, in het bijzonder op basis van onze algemene verkoop- en leveringsvoorwaarden. Alle eerdere verklaringen verliezen hun geldigheid met de publicatie van deze catalogus. De catalogus is geen bedieningshandleiding voor het gebruik en de montage van de bougies. Hij bevat geen advies in juridische zin. De catalogus vormt geen vervanging van de permanent geldende technische voorschriften – in het bijzonder voor toleranties – of voor de bepalingen voor montage en onderhoud van de individuele autofabrikant. De kennis van degene die de montage en toepassing uitvoert, is ook onontbeerlijk. De individuele verwijzingen in deze catalogus voor de montage en toepassing van de bougies zijn louter instructies voor de daarvoor opgeleide technische specialist en door hen moet voor elk geval worden gecontroleerd en geverifieerd of zij geschikt zijn. Federal-Mogul aanvaardt geen verantwoordelijkheid voor de keuze van toepassing. De inhoud van de catalogus is niet bedoeld voor het opstellen of vervangen van een contractuele overeenkomst die uitsluitend moet worden gereserveerd tussen 2 geïdentificeerde partijen, waarbij de verkoper uitsluitend een van onze Federal-Mogul entiteiten kan zijn die op de achterflap worden vermeld. Wij behouden ons het recht voor om fouten en wijzigingen te corrigeren, in het bijzonder met betrekking tot wijzigingen in details en bepalingen van de autofabrikant.
