

WARM TIPS

ALLSTAND offers a lifetime warranty and please contact us for any quality issues.

Please read these warm tips before using our products.

When installing:

1. In step 5, there are three holes in the edge of plate 7. **Notice the three holes facing down!**
2. In step 5, **9 Part must be assembled on the side of plate 7 with 6 holes, not the other side with 8 holes.**
3. In step 6, you need to **install the F screw first and the D screw last.**

How to contact us?

1. There is an **after-sales email on the manual**, you can contact us through this.
2. You can contact us through the **after-sales mailbox on the package.**

If you find that the box is damaged or any missing parts, please contact our after-sales email. Your message will be answered within 24 hours.

Thank you for choosing to buy our products.
