On the Road

There's a lot going on in this favorite pic from 2023 Sewing & Stitchery Expo. Check out the colors, textures, patterns, eyewear... and yes, our smiles. Diane Gloystein, retired Sulky National Educator, and I were sorority sisters at the University of Nebraska-Lincoln. To say we have jovial and creative conversations is an understatement.

A few weeks ago, I was in Puyallup WA, about 40 miles south of Seattle for the [Sewing & Stitchery Expo](#). There was an effervescent joy from every classroom and aisle on the show floor as sewing friends hugged each other after a long absence. I took many pictures. This newsletter is juicy with information I believe you will appreciate. So, rather than ramble on, read each section of this newsletter then go to my personal blog to view pics from the Sewing & Stitchery Expo, QuiltCon, and more: [Sew More Stitches](#).
