- **Q: How do I pair the ProBuds V2 with my device?**

A: To pair the earbuds with your device, make sure they are charged and then enable Bluetooth on your device. Hold down the touch panel on both earbuds for 3 seconds until the LED lights start flashing. The earbuds should then appear in your device's list of available Bluetooth devices. Tap on "Tzumi ProBuds V2" to connect.

- **Q: Can I use one earbud at a time?**

A: Yes, you can use either the left or right earbud on its own. To use only one earbud, simply take it out of the charging case and turn on Bluetooth on your device. The earbud should automatically connect.

- **Q: Can I make phone calls with the ProBuds V2?**
- **A:** Yes, the ProBuds V2 have a built-in microphone and touch controls that let you answer and end phone calls. You can also use voice assistants like Siri or Google Assistant to make calls hands-free.
- **Q: Are the ProBuds V2 sweat and water-resistant?**
- **A:** Yes, the ProBuds V2 have an IPX4 water-resistant rating, which means they can withstand splashes of water and sweat. However, they are not fully waterproof, so you should avoid submerging them in water.
