## Beschreibung

Der Lenovo-USB-C-zu-VGA-Adapter macht aus einem verfügbaren USB-C-Port einen VGA-Anzeige-Adapter zum Anschluss jeder Art von Bildschirm, Beamer oder Fernseher mit VGA-Eingang.  
Der Lenovo-USB-C-zu-VGA-Adapter kann zum Spiegeln Ihres normalen Anzeigemediums oder zur Erweiterung der Anzeige auf die doppelte Arbeitsfläche ohne Installation zusätzlicher Treiber genutzt werden.

## Hauptmerkmale

|                                     |                                                                                                                                                                                                                                                                                                   |
