STEP 1

DOWNLOAD KASA

Get the **Kasa Smart** app from the App Store or Google Play.

Download on the **App Store**

GET IT ON **Google Play**

STEP 2

POWER UP

Plug in your smart outdoor plug.

Note: Unused sockets should be firmly capped with the included weather-resistant cover.

STEP 3

ADD TO KASA

Tap the ⊕ button in the Kasa app and select **Smart Plugs > Smart Outdoor Plug, 2-Outlet**. Follow the app instructions to complete the setup.
