

READ AND FOLLOW ALL SAFETY INSTRUCTIONS

CAUTION:

- This seasonal use product is not intended for permanent installation or use.
- Do not mount or place near gas or electric heaters, fireplace, candles or other similar sources of heat.
- If you use other light product to decorate the Christmas tree, please use it safely.
- Do not use this product for other than its intended use.
- After assembly, it takes 30 to 45 minutes to arrange the leaves.

STORAGE:

Remove all holiday decorations. Gently press tips back into center branch. Raise all branches to original upright position taking care not to place undue pressure on the attached ends of the branches. When disassembling tree, a twisting motion will help to separate the sections from each other. All tree parts can be replaced in carton and should be stored in a cool, dry place.

Video Installation Guide

- Christmas - themed Products

Dear customers,

Thank you for purchasing our Christmas series products!
To ensure that you can assemble the products smoothly, we have provided you with exclusive video tutorials. Please follow the steps below to search for the assembly videos of the corresponding products:

Step 1: Scan the QR code to access the video library.

Use the camera on your mobile phone or a QR code scanning tool to scan the QR code below, and directly enter our YouTube video library.

(Note: If the QR code scanning fails, you can manually enter the link:
<https://www.youtube.com/@ChristmasDecoration-VCD/videos>)

Step 2: Search for the SKU code of your product.

- After entering the video library page, click on the search bar at the top (magnifying glass icon ↗).
- Enter the SKU code of your product (e.g., XMAS-TREE-2023), and press the Enter key to search.
- Locate the video in the search results that matches the name of your product, and click to play it to watch the complete assembly tutorial.
- Find the video in the search results that matches the name of your product, click to play it, and then you can watch the complete assembly tutorial.

Notes

- ✔ Make sure the entered SKU code is completely identical to the label on the product packaging (case-sensitive and pay attention to hyphens).
- 🌐 Please check your network connection before operation. If the loading is slow, you can try refreshing the page.
- It is recommended to watch the high-definition video in a Wi-Fi environment to save mobile data.
- The product videos demonstrate the assembly process of the same or similar products. Although there may be differences in product appearance, the assembly methods are identical.

Can't find the video?

- Check whether the SKU code is entered incorrectly.
- Visit our customer service center (support@vingli.com) and provide the SKU code. We will send you a direct link.
