MUV USB

lifestyle

This all-rounder, with its appealing shape, is essential for journeys all over the globe.

Two integrated USB ports enable the simultaneous charging of your smartphone and tablet, whilst the adapter allows another unearthed device to be used at the same time. The multiple USB connections, stylish design and attractive price, make this basic world adapter especially popular among younger people and those who predominately use USB devices.

With a minimum order of 5000 units, we can create an individual solution for your company-specific product and packaging, based on your corporate identity guidelines.

Our outstanding premium power gifts:

- Strengthen your brand
- Stay top of mind
- Affirm relationships
- Set you apart from the competition

MANUFACTURING

our production

SOCIAL CONDUCT

SKROSS® is a member of the BSCI (Business Social Compliance Initiative) and as such actively maintains the highest social standards for its employees – ensuring fair remuneration, a safe working environment, sustainable working hours and equal opportunity for all.

All SKROSS® travel adapters are produced at our own manufacturing facilities in Thailand. Operating since 2008, the facilities are ISO-certified and also manage production for other well known global brands such as Grohe, CWS, Bernina and Laufen. Our world-leading production facilities represent a new standard of quality for workers within a manufacturing environment.
