Highlights

13 mm dynamic drivers

Hear your sounds the way they were meant to be heard. These headphones use custom-designed 13 mm dynamic drivers to bring you an amazing listening experience. The drivers' large power capacity enhances dynamics and bass so you'll never miss a beat.

15 hours of play time

No matter how long your day is, these headphones have got you covered. You get 5 hours of play time and an extra 10 hours from the handy, pocket-sized charging case.

Clear call quality

Don't let sounds from the world interrupt your listening. These headphones feature an AI microphone that uses an advanced AI algorithm to filter out the noise you don't want to hear and ensure clear call quality. Hear each other clearly every time.

Ergonomically designed earbuds

These comfortable earbuds fit securely into your ear canals, creating a perfect seal that diminishes external noise and doesn't put any pressure on your ears so you can enjoy comfortable listening for hours and hours.

IPX4 splash/sweat resistant

An IPX4 rating and powerful 13 mm drivers let you enjoy great sound in any weather. The headphones are splash resistant and won't mind a little rain or sweat, so you don't need to worry about getting caught in a shower.
