

AIRSTREAM® Caravel

2026 TRAVEL TRAILERS

About Caravel

Inspired by oceangoing expeditions and Airstream founder Wally Byam's love of the sea, Caravel is a single-axle travel trailer for those who want to experience incredible adventures in iconic style. Nimble and easy-to-tow, Caravel mixes the best of what a small travel trailer offers with high-end features, luxurious amenities, and beautiful décor. Plus, Caravel has all of Airstream's legendary comforts of home – dedicated sleeping space, panoramic windows, a gorgeous galley with stainless steel appliances – and plenty of storage for any length trip. Eager to hitch up and set sail on the open road? Caravel is ready to cast off on your next adventure.

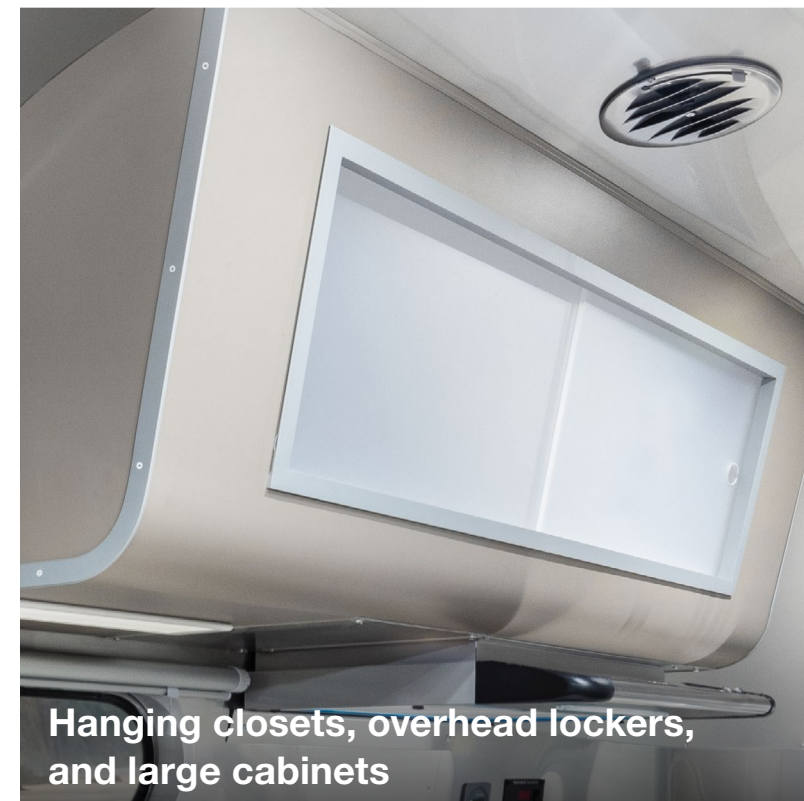

- Whether you're getting ready for the day or cleaning up after a hike, Caravel features an **efficient, spacious bathroom** with everything you need close at hand.
- The spacious dinette has **plenty of room for four** to comfortably eat and socialize, and **converts easily to extra sleeping space**.
- The **12V-electric refrigerator** is a game-changer for those upgrading to Airstream comfort, cooling quickly and efficiently staying cold throughout your trip.
- **Premium appliances** come standard, with a Baraldi® range vent, square stainless steel sink, and microwave (with optional convection microwave upgrade).

Pebble

“ It's the best of both worlds – easy-to-tow, but full of the features and comfort you'd expect in a much bigger travel trailer.” **JEREMY** 16RB Caravel Owner

Cream bedding and light grey cushions draws inspiration from Caravel's nautical namesake, with sandy tones and soft textures.

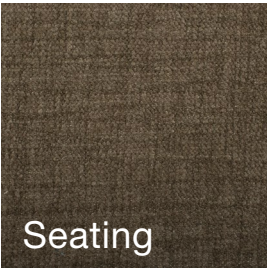

Driftwood

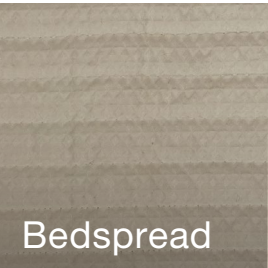

“ Our Caravel let us say goodbye to hotels and rentals. We love the freedom of choosing where we’re going, and the ability to set our own pace.” **STEPHEN AND MIRANDA** Caravel 22FB Owners

Soft neutral tones call to mind the seaside while creating a serene and inviting atmosphere that shines both inside and out.

Compare Floor Plans

Four single axle models with four distinct floor plans. Some of the most lightweight travel trailers Airstream manufactures, Caravel is ready to tow by many mid-sized trucks and SUVs. Dinettes are perfect for couples or families to gather for a meal, and then convert easily to more sleeping space at night. Note the rear corner galley in the 20FB, and the wide U-shaped dinette in the 22FB midship.

More Information

Upgrade to a luxury travel experience with all the comforts of home. Caravel features the amenities that make an Airstream a home on wheels – fridge, kitchen, bathroom, bed – and upgrades those features with top tier style and materials. Hit the road to elite excursions with a travel trailer that's easy to tow with a variety of common SUVs and light duty trucks.

- Caravel is the right size for just about any adventure, with room to spread out, ample storage, and convenient comforts.
- Style and functionality are woven throughout Caravel's design – from the easy-to-clean comfort from the ultra-plush comfort of Nassimi® seating, to the compact efficiency of its well-appointed bathroom.

How It's Made

Informed by more than 90 years of quality craftsmanship and expert design, Airstream travel trailers are hand-made in Jackson Center, Ohio. Only the best materials are used – from seamless, waterproof composite flooring, to the hardware and finishes we use to build our cabinetry, to the rivets and aluminum that form the shell. In building our world-famous travel trailers, we rarely do things the easy way. That's why an Airstream travel trailer can last a lifetime – or more – and be passed down from generation to generation for years of enjoyment.
