## **SIEMENS**

# Siemens Industry Services Training Price List 2026

**Siemens Training Academ**y

The following price schedule will apply to all our courses for the period:

## **1** October **202**5 **to 30 September 202**6

Please note that the standard Siemens terms and conditions apply. (Available on request.)

For courses required at your site please refer to the section "On-site Training"

#### **On-Site Training:**

The following applies to courses presented on-site at customer's venue.

• The course price is charged per trainer day;

Up to 6 participants or less = R 31 746 / day Excl VAT.

From 7 to 12 participants = R 44 407 / day Excl VAT.

- A maximum of 12 delegates per course.
- All travel, accommodation and meals for the trainer is for the customer account. Inclusive of Flights and local transport if required.
- SITRAIN will provide course notes, stationery and laptops for each delegate attending the course.
- Customer to provide a suitable course venue, including teas, coffees and lunches for each delegate.
- Venue cost for customer account.
- Freight of training equipment is for the customer account. (If applicable)

(A budget quote will be provided but actual as per Freight Company invoice will be included in the final invoice.)

• Siemens standard terms and conditions apply to on-site courses.

#### **Booking Procedure:**

- Please make bookings online @ SITRAIN Booking.
- Enrolments will only be confirmed upon receipt of an official order.
- Course fees are due prior to the commencement of a course.
