01 Check All the Accessories Accessory Details

Please check and ensure all the things are in the package.
You can contact us for help if something is not included.

02 Instructions Before Using Chair Installation

Please keep the original box in case you might need to return or replace the product.

1 Install the base.

2 Insert the casters. Install the gas lift and insert the gas lift cover.

3 Install the mechanism and footrest rails.

! Attention

DO NOT tighten the screws completely until they are all fixed in the correct position.

4 Place the seat on the gas lift.

5 Install the connector on the chair back.

6 Install the connector on the rear end of the mechanism.

7 Install the armrests.

! Attention

DO NOT tighten the screws completely until they are fixed in the correct position. Put the washer **u** between the armrest and chair body.

8 Attach the headrest and lumbar pillow.

* Length-adjustable belt

Method 1

Method 2

The belt can be adjusted up or down.

9 Install the footrest.

10 Complete.

03

Instructions For Use

Functions Display

Please read the function introduction carefully.

A Height Adjustment

Lift up the "LIFT" lever to adjust the height of chair, and release the "LIFT" lever at a desired height. Lift body slightly off the seat when adjusting the height.

B To operate back recline function

Pull up on the "RCL" lever and the back angle tilts independently with user's motion. Push down on "RCL" lever and the back angle is locked in position. Rest on the back when resetting back to its normal position, otherwise the back may rebound rapidly.

01. This device can play audio through Bluetooth function.

When hearing a click, the cables are properly connected in place.

Note: Please ensure that all audio jacks in the AREA 1 and AREA 2 are properly connected in place, otherwise one side of the Bluetooth speakers may not sound.
