Product Overview

Power Connection

Connect the USB-C end of the cable to the power adapter and the Type-C end into the product. The indicator will blink twice and then turn off, signaling that the device has entered standby mode.

Charging Indicator

1. Charging: The blue light remains on.
2. Fully Charged: The blue light turns off (note: some phones may not support this feature).
3. Foreign Object Detection (FOD): The light flashes.

Output Power

1. Magnetic Phone Wireless Charging Output: Maximum of 15W.
2. USB-C Output: Maximum of 5W.

Bluetooth Function

Press the Bluetooth button to switch to Bluetooth mode. For the first pairing, the device name will appear as W02243. A prompt tone will sound once pairing is successful.

Button Function

1. Press the pause/play button to toggle between pausing and playing the audio.
2. Press the Next button (>) to play the previous track.
3. Hold the increase button (+) to increase the volume.
4. Press the previous button (<) to play the next track.
5. Hold the decrease button (-) to decrease the volume.

Light Control

A. Makeup Lamp and Lighting Effects

1. Press the Makeup Lamp button to toggle the lamp on or off.
2. Press the Switch Light button to cycle through three lighting effects: warm yellow, cold white, and a combination of warm yellow + cold white.

B. Brightness Adjustment

1. Use the + and - buttons to adjust the light brightness. Available settings include high light, medium light, low light, and off.
2. Pressing these buttons will cycle through the brightness levels.

Precautions and Notes

1. For simultaneous use of Bluetooth, wireless charging, and the Makeup lamp, employ a PD30W or higher power adapter. With a 5V supply, the wireless charger only supports a 5W load and allows the Makeup lamp to function.
2. Do not subject the device to squeezing or collisions.
3. Avoid disassembling, or exposing the device to fire, water, or other liquids to prevent short-circuits and leakage.
4. Do not use the wireless charger in extreme temperatures, high humidity, or corrosive environments to protect the circuit integrity.
5. Keep the device away from magnetic cards to prevent demagnetization.
6. Ensure a distance of more than 20 cm between the charger and any implanted medical devices.

- 7.** Prevent children from accessing the device to avoid misuse as a toy, which could lead to accidents.
- 8.** Ensure both the charger and the receiver device are kept away from water and other liquids.
- 9.** Disconnect power before cleaning the charger.
- 10.** Operate within a temperature range of 45-0°C.
- 11.** Operational Humidity: Maintain a humidity level of 20 % to 85 % at 40°C.
- 12.** The images in this manual are for illustration purposes only. The actual product may differ.
- 13.** The package includes: Mirror wireless charger, USB charging cable, and user manual.
- 14.** A power adapter is not included. Please purchase separately or use a conforming adapter.

Specifications

Input	5V/4A, 9V/4A, 12V/3A
Wireless Output	15W Max
Brightness Levels	High, Medium, Low
Power Port	USB-C input
USB-C Output	5W
Speaker Output	5W
Bluetooth Transmission Distance	Up to 30m
Usage Temperature	0-45°C
Product Size	148×230×356.7mm

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
