The diagram illustrates two methods of connecting the ATrust BT-001 mouse to a PC. On the left, a hand points to the USB port on the bottom of the mouse. On the top right, a USB receiver is shown being inserted into a port, with a '3' in a box indicating this step. On the bottom right, a Bluetooth symbol is shown next to a hand pressing a button, with a '4' in a box indicating this step.

4

A diagram of a hand with a clock face on the wrist showing 65. A blue line points from the clock to a light bulb icon. There are five light bulb icons in a row: the first, third, and fifth are lit (blue), while the second and fourth are unlit (black). A blue circular icon with a white snowflake is in the top right corner.

5. Windows 10/8

a

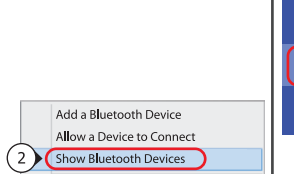

Diagram illustrating the initial steps to access Bluetooth settings in Windows 10/8. A mouse cursor (1) clicks the Bluetooth icon in the taskbar. A context menu appears, and the option 'Show Bluetooth Devices' (2) is selected.

b

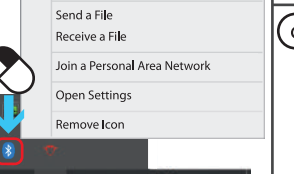

Diagram illustrating the 'Manage Bluetooth devices' settings page. The 'Bluetooth' toggle switch (1) is turned 'On' (2). Below the toggle, it states: 'Your PC is searching for and can be discovered by Bluetooth devices'.

c

Diagram illustrating the 'Manage Bluetooth devices' settings page. A device named 'Trust YVI' (1) is listed as 'Ready to pair'. The 'Pair' button (2) is highlighted.
