Every first makes home feel more like mine

At IKEA, we're driven by one simple idea — to create a better everyday life for the many people. We believe that home is the most important place in the world, and we're here to make life at home better, easier, and more inspiring. Every “first” is a chance to do just that. Whether it's your first sofa, your first dinner party, or your first time decorating a space of your own — it's where new beginnings take shape, and possibilities come to life.

Get ready to explore all the inspiration we've prepared and take the next step in making your space truly yours. We've filled these pages with ideas, tips, and solutions to help you create the perfect home. And remember, the inspiration doesn't stop here — head over to the IKEA store or IKEA.my for even more creative ideas and possibilities to bring your vision to life.

Snuggle in with style!

More value than you think

At IKEA, our vision is to create a better everyday life for the many people. Our business idea supports this by offering a wide range of well-designed, functional home furnishing products at prices so low that as many people as possible can afford them.

Every IKEA product is developed with the principles of Democratic Design – balancing form, function, quality, sustainability, and low price – so you get **more value than you think**. It's design that looks good, works well, lasts longer, is responsibly made, and still fits your budget.

Big ideas for a small living room

Who says you can't host guests in a limited space? With the right pieces, you can make enough space for everyone and everything. Maximise your living room's potential for a night of fun and laughter with your friends, family, and loved ones.

A side table on castors is perfect for holding drinks, snacks, or even board games with friends. Easily wheel it around to make space whenever you need it.

This sofa offers hidden storage under the seat and easily transforms into a bed, making it perfect for both lounging and accommodating overnight guests.

Clever ideas for a clutter-free kitchen

A smart kitchen is all about organisation and efficiency, where everything has its place and the space always feels tidy. Use clever storage solutions like pull-out drawers, built-in shelves, and hidden compartments to keep everything from utensils to appliances neatly tucked away. It's about maximising space while creating a streamlined, functional environment.

Food storage containers are a kitchen essential, helping you keep ingredients organised and easily visible; while their stackable design saves space and simplifies your pantry.

A durable crate box handles heavier loads with ease, providing strong and stable storage.
