

MCI Chauffeured Ground Transportation Options.

Best-in-class legroom and luxurious interiors to grow your business.

Great looks, extraordinary features and long-term value.

MCI delivers a luxurious group travel experience like no other with the industry-leading J-Series coach — offering great looks, extraordinary features and long-term value. We provide the best limited warranties in the business.

- / High impact interiors including optional diamond stitched passenger seat upholstery, and a wide array of flooring and trim options.
- / Customizable LED color lighting provides corporate and event-specific branding.
- / Automotive features throughout provide safety and comfort. Ergonomic driver cockpit and award-winning vehicle innovations include optional ADAS (advanced drivers assistance system) and 360-degree cameras for added safety.
- / MCI's patented spiral staircase provides a better passenger boarding experience and is illuminated for safety.
- / Styling by BMW Designworks offers passenger appeal inside and out.
- / Top limited warranty at 30 months with unlimited miles.
- / Optional next-generation Bendix wingman fusion driver assistance technology to detect and stop for stationary objects (SVB), plus lane departure warning (LDW), following distance alerts (FDA), traffic sign recognition (TRS), adaptive cruise control with braking (ACB) and collision mitigation (CMT).

Illumination.

Interior and spiral stairway lighting enhances safety while optional, RGB illumination provides an impressive passenger experience.

Financing that fits your goals, including monthly payment options.

MCI Financial Services can help you find the best leasing and financing options to fit your needs, and offers a variety of financial solutions* including:

- / Fixed rate loans
- / Floating rate loans
- / TRAC leases
- / Special payment structures such as seasonal, step-up, or step-down payments

*Some restrictions apply.
