

VIZIO | Quick Setup Guide

805001376

Please read this guide carefully before operating your unit and retain for future reference.

What's Inside the Box • Smart TV | Power Cable | Voice Remote | TV Feet with Screws

Accessory type and quantity may vary depending on the model.

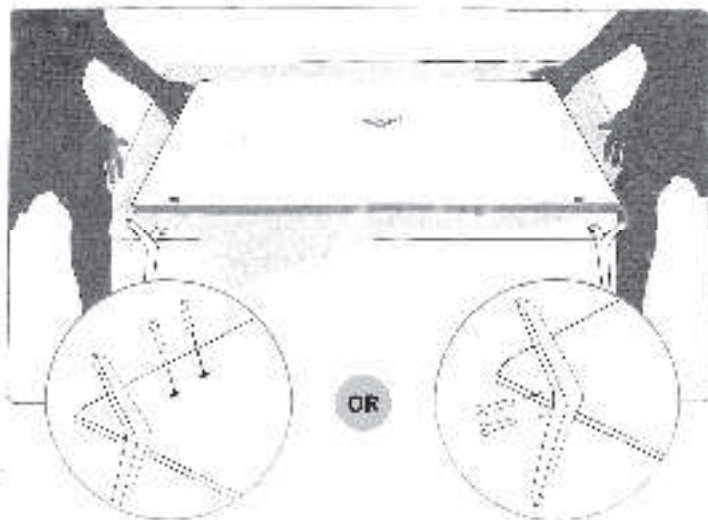

What You Need • Phillips Head Screwdriver | Broadband Internet Connection | WiFi Password

(Tools not included)

1 Stand Setup

Lift the TV out of the box using the plastic bag¹ covering the TV. Support the TV evenly on both sides while laying it on a padded, flat surface that is larger than the TV.

Install the stand feet² or a wall mount³ (not included) according to the image below. When the stand legs are properly connected, the legs will not shift or move.

¹When using bag type may vary depending on model.

²See the accessories section and model specifications.

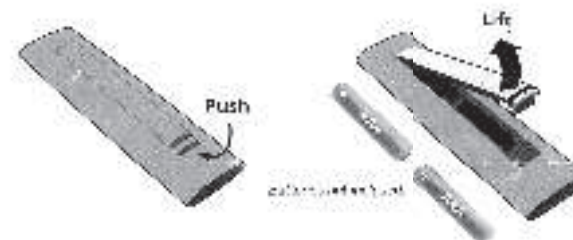

Important!

Use bag to lift TV.
Do not touch screen.

2 Remote Control

Once you are ready to start the on-screen setup, insert two AAA batteries into your remote control.

Accessibility Features

Press the **MUTE** button to enable or disable **Text To Speech** during the first time setup.

NOTE: The remote control vary depend of model: The buttons on the remote control may have a different name or location than the remote control shows in this manual.

3

Connect

Plug the TV power cord into a wall outlet.

If you have a sound bar, connect it to your TV's **HDMI ARC port (HDMI 1)** now.

HDMI ARC/eARC

Integrated Sound Bar Control:

HDMI 1 (ARC)

When connected to select VIZIO sound bars using the dedicated HDMI ARC/eARC port, audio settings can be adjusted easily via an on-screen menu.

Scan the QR code at the bottom for more information.

NOTES:

- The cables mentioned in this guide is not supplied with your unit.
- The image shown here is for illustrative purposes only and may be subject to change. The actual number of ports and their locations may vary depending on the model.

4
