Please read this entire instruction manual before using the 4-in-1 shaving foil. We are dedicated to bringing you well-designed products that make life fun and easy. We stand behind all our products and warrant them to be free from defects in workmanship and materials for one year from the date of purchase.

NAME OF PARTS

1. Beard trimmer & body shaver
 2. ON/OFF switch
 3. Shaver
 4. Nose trimmer
 5. Eyebrow trimmer
-

CHARGING

1. Charging time: 8 hours
 2. Rated Voltage: DC 5V 3W
 3. Ensure the power switch is off. Insert the plug into the power socket. The indicator light will turn red while charging.
-

INSTRUCTIONS FOR HEAD REPLACEMENT

To change attachments, hold the trimmer body with the switch side facing you. Turn off the razor head, rotate the tool head to remove it, and then replace it with the desired attachment. Position the replacement head at the top of the trimmer body, place it correctly, and rotate it to secure it in place.

(A) **Shaver for Ladies** – This head is designed for trimming unwanted hair from the face, neck, arms, and legs.

(B) **Beard Trimmer & Body Shaver**

1. Slide the power switch up to the "1" position to turn on the power.
2. Move the razor head against the direction of hair growth using straight and circular motions.
3. For the best shaving results, wash your skin after use.
4. Turn off the shaver after use.

CLEANING & MAINTENANCE

Clean your personal trimmer regularly. Ensure the switch is turned "OFF" before cleaning.

Cleaning with Brush

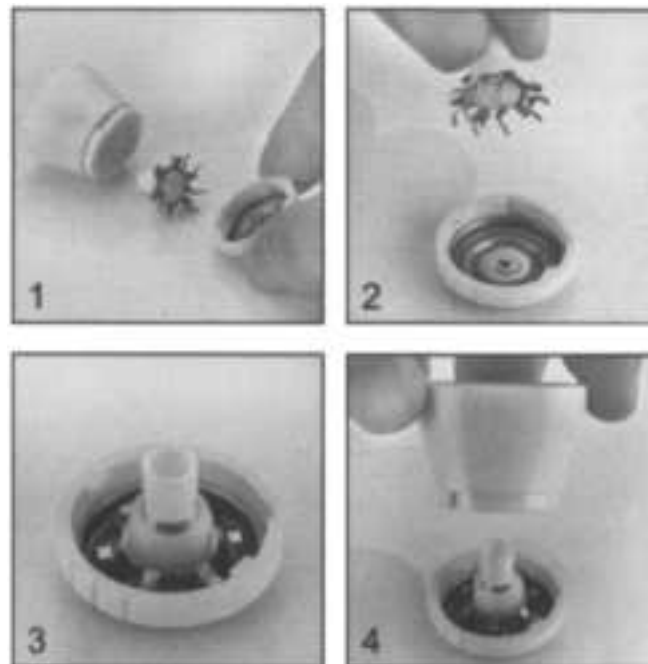

Use the enclosed brush to remove hair clippings from the unit. Thoroughly brush and blow out any remaining hairs from the power handle.

Cleaning with Water

The razor head has rust-resistant stainless steel cutting blades. The cutting heads can be rinsed under running water. Try to separate the head from the body when cleaning. Always keep the blade area pointed downward while rinsing. Only use the trimmer again once it is completely dry.

- Do not use harsh or corrosive cleaners on the unit or its accessories.
- Do not apply pressure or use hard objects on accessories.

HOW TO INSTALL YOUR FACIAL HAIR REMOVER HEAD

1. The facial hair remover head consists of three parts.
2. Connect the two circled parts together.

3. Ensure they are aligned correctly and rotate smoothly.
4. Attach the main body of the head and screw it securely.

INSTRUCTIONS FOR RECYCLING AND DISPOSAL:

This label means that the product cannot be disposed of as other household waste throughout the EU. To prevent potential damage to the environment or human health from uncontrolled waste disposal. Recycle responsibly to promote the sustainable use of material resources. If you want to return a used device, use the drop-off and collection system, or contact the retailer from whom you bought the product. The retailer can accept the product for environmentally safe recycling.

A declaration by the manufacturer that the product complies with the requirements of the applicable EU Directives.
