

# RC33KNZA

|                          |                |
|--------------------------|----------------|
| Product Family           | Refrigerator   |
| Installation             | Free standing  |
| Category                 | Bottom Mount   |
| Reference width          | Until 60       |
| Reference height         | 160 - 200      |
| Sistema Total No - Frost | Yes            |
| Cooling type             | Total No Frost |
| Defrost                  | Automatic      |
| Hinge type               | Standard       |
| Hinge position           | Right          |
| Reversible door          | Yes            |
| EAN code                 | 8017709344832  |

## Aesthetics

|               |                     |                              |                       |
|---------------|---------------------|------------------------------|-----------------------|
| Aesthetic     | Universale          | Side colour                  | Dark grey             |
| Colour        | Dark Grey Inox Look | Logo                         | Applied               |
| Finishing     | Fingerproof         | Door shelves profile color   | Dark Inox Look        |
| Design        | Flat                | Drawers profile color        | Dark Inox Look        |
| Material      | Steel Effect        | Color of glass shelf profile | Dark Inox Look        |
| Handle        | Integrated          | Display                      | LED                   |
| Logo colour   | Silver              | Display position             | Interno (cella frigo) |
| Side material | Steel               |                              |                       |

## Refrigerator compartment features

|                                         |          |                                         |       |
|-----------------------------------------|----------|-----------------------------------------|-------|
| No. of adjustable shelves               | 3        | Bottle shelf                            | Yes   |
| Number of fruit and vegetables drawers  | 1        | Type of crisper/vegetable drawers cover | Glass |
| Type of adjustable shelves              | Glass    | No. of lights refrigerator compartment  | 2     |
| Type of crisper/vegetable drawers cover | Standard | Internal light in fridge                | Yes   |
| Crisper Cover                           | Yes      | Type of internal light (fridge)         | LED   |

## Refrigerator Inner Door

|                                   |   |                       |   |
|-----------------------------------|---|-----------------------|---|
| Number of adjustable door shelves | 2 | No. of bottle shelves | 1 |
|-----------------------------------|---|-----------------------|---|

## Other Refrigerator features

|             |          |     |     |
|-------------|----------|-----|-----|
| Accessories | Egg tray | Fan | Yes |
| MultiFlow   | Yes      |     |     |

## Freezer compartment features

|                   |   |
|-------------------|---|
| Number of drawers | 3 |
|-------------------|---|

## Other Freezer features

|             |             |
|-------------|-------------|
| Accessories | 2 ice boxes |
|-------------|-------------|

## Other technical features

|                             |                    |
|-----------------------------|--------------------|
| Functions display           | Fast freezing, ECO |
| Fast freezing button        | Yes                |
| Door open alarm             | Yes                |
| Type of temperature control | Electronic         |
| No. of compressors          | 1                  |
| Refrigerant gas type        | R600a              |
| Type of compressor          | Inverter           |
| Refrigerant Quantity (gr)   | 50 g               |
| Foam agent                  | Cyclopentane       |

## Performance / Energy Label - Reg. 2019

|                                                                                |       |                                     |                  |
|--------------------------------------------------------------------------------|-------|-------------------------------------|------------------|
| Total net volume                                                               | 324 l | Airborne acoustical noise emissions | 42 dB(A) re 1 pW |
| Sum of the volumes of the frozen compartment(s)                                | 94 l  | 4 star - Freezing capacity          | 5,0 Kg/24h       |
| Sum of the volumes of the chill compartment(s) and the unfrozen compartment(s) | 230 l | Climate class                       | SN, T            |

## Electrical Connection

|      |              |                |           |
|------|--------------|----------------|-----------|
| Plug | (F;E) Schuko | Voltage (V)    | 220-240 V |
|      |              | Frequency (Hz) | 50 Hz     |

Electrical connection rating 145 W

Power supply cable length 210 cm

Current 1,1 A

---

## Symbols glossary

---

The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.

Economical mode: Analyzes fridge functioning during the activation and optimizes the operating cycle in order to reduce power consumption.

Fast freezing: The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.

LED display: to show programmes, functions and options selected and the time to the end of the cycle.

Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.

LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.

Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.

---

## Benefit (TT)

---

### **No-Frost system**

The No Frost system prevents the formation of ice and contributes to better preservation of food in the refrigerator

### **Plastic multiflow system**

The Multiflow system ensures even distribution of cold air inside the refrigerator

### **Fan**

The fan contributes to an even distribution of air inside the refrigerator

### **Refrigerant gas R600a**

Environmentally friendly R600a refrigerant gas contributes to rapid cooling with lower energy consumption

### **Reversible door**

Reversible door ensures flexible installation and space optimisation

### **Refrigerator Internal lighting**

Interior lighting for perfect visibility of shelves in the refrigerator compartment

### **Fruit and vegetable drawer**

The fruit and vegetable drawer ensures the best storage conditions for fresh food, avoiding any contamination

### **Inverter compressor**

Inverter compressor reduces noise and vibration levels for a quiet and comfortable kitchen environment

Inverter compressor technology offers significant advantages for refrigeration systems, improving both performance and efficiency. Better temperature control ensures a more stable and constant indoor environment, preserving the freshness of food. This technology also results in reduced energy consumption, as the compressor adjusts its speed according to cooling needs.

### **Internal display**

Internal display for targeted temperature control and a clean, minimalist design
