

Jabra Evolve2 75 - USB-C MS Teams - Beige

How do I manually turn on/off the busylights on my Jabra Evolve2 headset?

When you are wearing the headset and on a call, the busylights automatically light up red to indicate that you are busy.

To manually turn on/off the busylights, simultaneously press the **Volume up** and **Volume down** buttons on the right earcup.

Note

You can configure busylight settings using Jabra Sound+ ([Google Play](#) | [App Store](#)) on your smartphone or [Jabra Direct](#) on your computer.

Images are for guidance purposes only. The image displayed may differ slightly from your device, however the content is still relevant and accurate.
