NOTE: This unit may be submitted for changes in specifications, characteristics and/or operation without prior notice to user, in order to continue improving and developing its technology.

FEATURES

The PA-15L MKIII is the ultimate solution for your party audio needs. This bundle includes our new and improved PA-15L MKIII LED Party Bluetooth® Speaker and a Speaker Stand for optimal sound dispersion plus a wired microphone; everything you need to get the party going. The PA-15L MKIII features a Class AB amplifier and custom-built 15" woofer with 2" voice coil and a 1" Titanium high-frequency driver, meticulously tuned for full range sound with minimal distortion. On-board 3 channel mixer with Media player as well as Mic/Line and RCA & 1/8" Aux inputs. Stream music wirelessly via Bluetooth 5.0 with TWS linking for wirelessly pairing to a 2nd PA-15L MKIII speaker or use the Balanced XLR Master output to daisy chain even more speakers into the system. Master EQ adjustments allow you to tune speaker to your space for optimal sound. 10 modes of LED party lighting will turn any space into an immersive club experience. With microphone and speaker stand included, the PA-15L MKIII is all you need to get the party started!

FEATURES

IMPECCABLE SOUND

Pushing 2000 watts of Class AB power to a 15" woofer and a 1" Titanium high-frequency driver delivering pristine bass with clear sound across the frequency spectrum

LED PARTY LIGHTING

The PA-15L MKIII is equipped with full color LED woofer light for a truly dazzling display with lights dancing along to the music.

SEAMLESS WIRELESS PAIRING

Effortlessly connect and sync two PA-15L MKIII speakers via Bluetooth 5.0 with TWS linking, doubling the sound output for an immersive stereo experience, perfect for larger gatherings or events where sound coverage is key.

INTUITIVE CONTROL

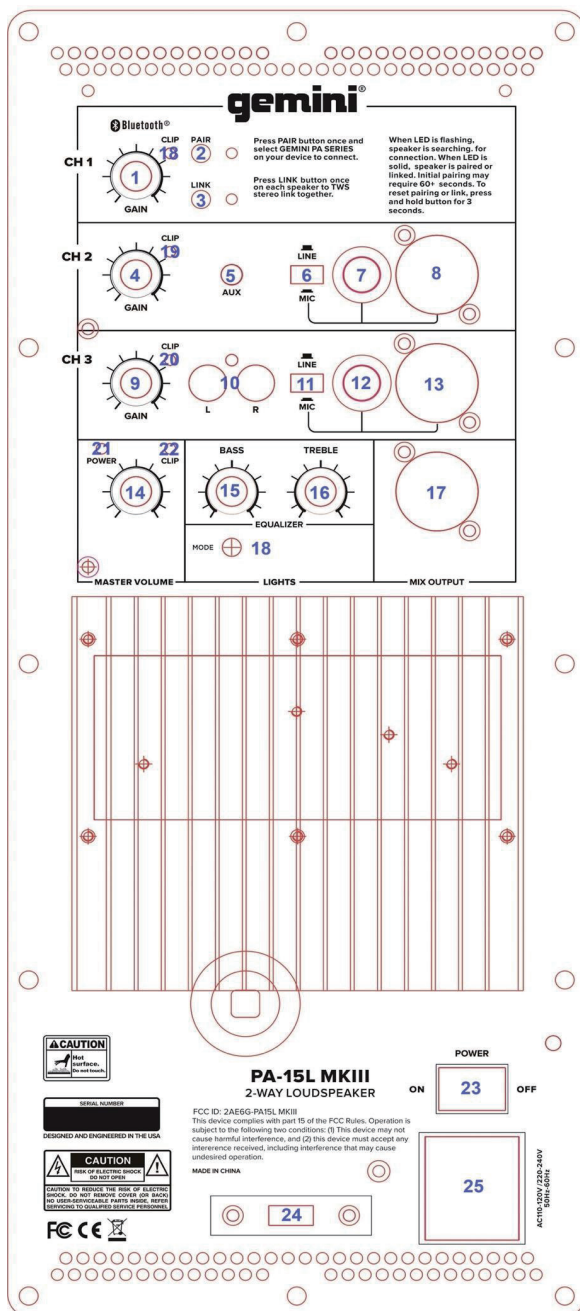

Take command of your music and lighting with ease using the PA-15L MKIII's user-friendly 3-channel mixer and media player, allowing you to adjust volume levels, select tracks, and customize lighting effects directly from the speaker without the need for additional equipment or complicated setups.

EASY PORTABILITY

Designed for convenience, the PA-15L MKIII comes with a speaker stand and a wired microphone, allowing for quick and hassle-free setup wherever the party takes you. Its compact and lightweight design makes it ideal for on-the-go use, ensuring that you can bring the party to any venue or location with ease.

Perth Amboy, NJ, 08861 USA

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. The operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the FCC Rules. This equipment generates uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and then on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to a different outlet so that the equipment and receiver are on different branch circuits.
- Consult the dealer or an experienced radio/TV technician for help.

FCC ID: 2AE6G-PA15LMKIII

LEGALITY & SAFETY

The device is not intended for use by people (including children) with reduced physical, sensory or mental capacity. People who have not read the manual, unless they have received an explanation by someone responsible for their safety, should not use this unit. Children should be monitored to ensure that they do not play with the device. The device should always be readily accessible. The device should not be exposed to water. No objects filled with liquids, such as vases, shall be placed on the device. Always leave a minimum distance of 10 cm around the unit to ensure sufficient ventilation. Open flame sources, such as candles, should not be placed on top of the device. The device is intended for use only in a temperate climate. At full volume, prolonged listening may damage your hearing and cause temporary or permanent deafness, hearing drone, tinnitus, or hyperacusis. Listening at high volume is not recommended. One hour per day is not recommended either. Danger of explosion if battery is incorrectly replaced or not replaced by the same type or equivalent. The battery should not be exposed to excessive heat such as sunshine or fire. Different types of batteries, or new and used batteries, should not be mixed. The battery must be installed according to its polarity. If the battery is worn, it must be removed from the product. The battery must be disposed of safely. Always use collection bins to protect the environment. The battery can only be replaced by the maker of this product, the sales department, or a qualified person. Switch the device off where the use of the device is not allowed or where there is a risk of causing interference or danger - for examples: on an aircraft, or near medical equipment, fuel, chemicals or blasting sites. Check the current laws and regulations regarding the use of this device in the areas where you drive. Do not handle the device when driving. Concentrate fully on driving. All wireless devices are susceptible to interference which may affect their performance. All our devices conform to international/national standards and regulations, and we aim to limit user exposure to electromagnetic fields. These standards and regulations were adopted after the completion of extensive scientific research. This research established no link between the use of the mobile headset and any adverse effects on health if the device is used in accordance with standard practices. Only qualified people are authorized to install or repair this product. Only use batteries, chargers and other accessories which are compatible with this equipment. Do not connect incompatible products. This equipment is not waterproof. Keep it dry. Keep your device in a safe place, out of the reach of young children. The device contains small parts which may present a choking hazard to kids.

WARRANTY

A. Innovative Concepts & Designs LLC guarantees its products to be free from defects in materials and workmanship for one (1) year from the original purchase date. Exceptions: Laser assemblies on CD Players, batteries, cartridges, and crossfaders are covered for 90 days.

B. This limited warranty does not cover damage or failure caused by abuse, misuse, abnormal use, faulty installation, improper maintenance, or any repairs other than those provided by an authorized Innovative Concepts & Designs Service Center.

C. There are no obligations of liability on the part of Innovative Concepts & Designs for consequential damages arising out of or in connection with the use or performance of the product or other indirect damages with respect to loss of property, revenues, of profit, or costs of removal, installation, or reinstallation. All implied warranties for Innovative Concepts & Designs, including implied warranties for fitness, are limited in duration to one (1) year from the original date of purchase, unless otherwise mandated by local statutes.

DESCRIPCIÓN DEL PRODUCTO

El PA-15L MKIII es la solución definitiva para tus necesidades de audio para fiestas. Este paquete incluye nuestro nuevo y mejorado altavoz Bluetooth® para fiestas LED PA-15L MKIII y un soporte de altavoz para una dispersión óptima del sonido, además de un micrófono con cable; todo lo que necesitas para que la fiesta continúe. El PA-15L MKIII cuenta con un amplificador de clase AB y un woofer de 15" hecho a medida con bobina móvil de 2" y un controlador de alta frecuencia de titanio de 1", meticulosamente ajustado para un sonido de rango completo con una distorsión mínima. Mezclador integrado de 3 canales con reproductor multimedia, así como entradas de micrófono/línea y RCA y auxiliares de 1/8". Transmite música de forma inalámbrica a través de Bluetooth 5.0 con enlace TWS para emparejar de forma inalámbrica con un 2º altavoz PA-15L MKIII o utilice la salida maestra XLR balanceada para conectar en cadena aún más altavoces en el sistema. Los ajustes de ecualización maestra le permiten sintonizar el altavoz a su espacio para obtener un sonido óptimo. Los 10 modos de iluminación LED para fiestas convertirán cualquier espacio en una experiencia de club inmersiva. Con micrófono y soporte para altavoz incluidos, el PA-15L MKIII es todo lo que necesitas para que comience la fiesta.

Qué está incluido?

Asegúrese de encontrar estos accesorios con su paquete PA-15L MKIII

- Altavoz PA-15L MKIII PA
- Micrófono con cable
- Cable de alimentación
- Manual de usuario
- Soporte de altavoz de trípode

PRODUCTOS DESTACADOS

SONIDO IMPECABLE

Empujando 2000 vatios de potencia de Clase AB a un woofer de 15" y un controlador de alta frecuencia de titanio de 1" que ofrece graves prístinos con un sonido claro en todo el espectro de frecuencias

ILUMINACIÓN LED PARA FIESTAS

El PA-15L MKIII está equipado con una luz de woofer LED a todo color para una pantalla realmente deslumbrante con luces que bailan al ritmo de la música.

EMPAREJAMIENTO INALÁMBRICO SIN INTERRUPCIONES

Conecta y sincroniza sin esfuerzo dos altavoces PA-15L MKIII a través de Bluetooth 5.0 con enlace TWS, duplicando la salida de sonido para una experiencia estéreo inmersiva, perfecta para reuniones o eventos más grandes donde la cobertura de sonido es clave.

CONTROL INTUITIVO

Toma el control de tu música e iluminación con facilidad utilizando el mezclador y reproductor multimedia de 3 canales fácil de usar del PA-15L MKIII, que te permite ajustar los niveles de volumen, seleccionar pistas y personalizar los efectos de iluminación directamente desde el altavoz sin necesidad de equipos adicionales ni configuraciones complicadas.

FÁCIL PORTABILIDAD

Diseñado para mayor comodidad, el PA-15L MKIII viene con un soporte para altavoz y un micrófono con cable, lo que permite una configuración rápida y sin complicaciones dondequiera que te lleve la fiesta. Su diseño compacto y liviano lo hace ideal para usar sobre la marcha, lo que garantiza que pueda llevar la fiesta a cualquier lugar o ubicación con facilidad.

PRECAUCIONES

LEA ESTAS INSTRUCCIONES DADAS EN ESTE MANUAL Y LAS MARCADAS EN LA UNIDAD

Este conjunto ha sido diseñado y fabricado para garantizar la seguridad personal. El uso inadecuado puede provocar una descarga eléctrica o peligro de incendio. Las medidas de seguridad incorporadas en esta unidad lo protegerán si observa los siguientes procedimientos de instalación, uso y mantenimiento. Esta unidad está totalmente transistorizada y no contiene ninguna pieza que pueda ser reparada por el usuario.

ADVERTENCIAS

Peligro de incendio y descarga eléctrica

- 1 - No coloque ninguna fuente de llama abierta, como velas encendidas, sobre o cerca del aparato.
- 2 - No intente reparar el aparato usted mismo.
- 3 - Abrir o quitar las cubiertas puede exponerlo a voltajes peligrosos u otros peligros y anulará la garantía del fabricante.
- 4 - Para evitar el riesgo de incendio o descarga eléctrica, evite sobrecargar los tomacorrientes de pared, los cables de extensión o los receptáculos de conveniencia integrales.
- 5 - Tormentas eléctricas Desenchufe este aparato durante las tormentas eléctricas.
- 6- Entrada de objetos y líquidos: Nunca introduzca objetos de ningún tipo a través de las aberturas de este aparato, ya que puede tocar puntos de tensión peligrosos o cortocircuitar piezas que podrían provocar un incendio o una descarga eléctrica. Se debe tener cuidado para que no caigan objetos y no se derramen líquidos en el aparato a través de las aberturas de la carcasa

GARANTÍA

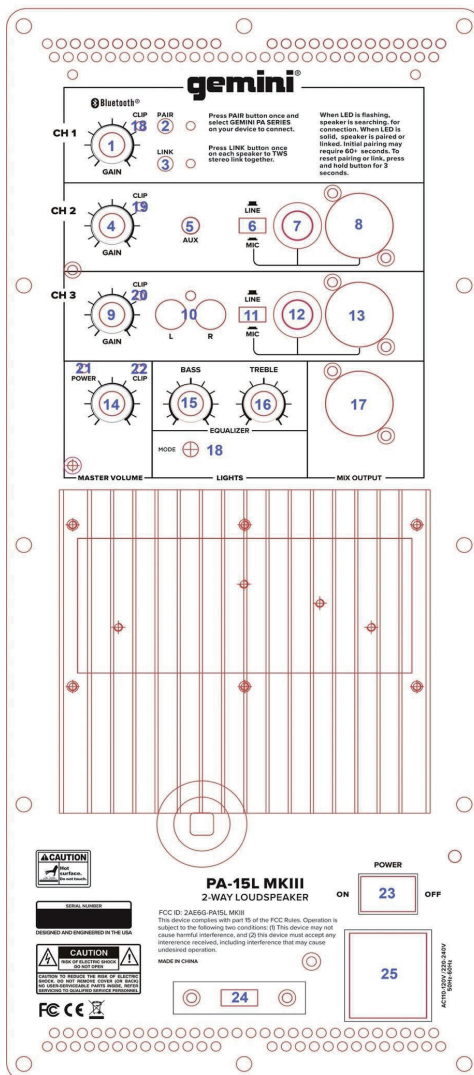

Innovative Concepts & Designs LLC garantiza que sus productos están libres de defectos en materiales y mano de obra durante un (1) año a partir de la fecha de compra original. Excepciones: Los ensamblajes láser en reproductores de CD, baterías, cartuchos y crossfaders están cubiertos durante 90 días.

Esta garantía limitada no cubre daños o fallas causados por abuso, mal uso, uso anormal, instalación defectuosa, mantenimiento inadecuado o cualquier reparación que no sea la proporcionada por un Centro de Servicio autorizado de Innovative Concepts & Designs.

No existen obligaciones de responsabilidad por parte de Innovative Concepts & Designs por daños consecuentes que surjan de o en relación con el uso o rendimiento del producto u otros daños indirectos con respecto a la pérdida de propiedad, ingresos, ganancias o costos de remoción, instalación o reinstalación. Todas las garantías implícitas para Innovative Concepts & Designs, incluidas las garantías implícitas de idoneidad, tienen una duración limitada a un (1) año a partir de la fecha original de compra, a menos que los estatutos locales exijan lo contrario.

Warning Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.
