**13,000 BTU (10,000 SACC) 450 sq. ft.,
3 in 1- Smart Wifi Portable AC**

Model-AP1024CW1LA

Convenient, Cool and Comfortable

The Hisense AP1022CW1G Smart Wifi Portable AC is perfect for larger rooms (450 sq.ft. or less) with 13,000 BTU cooling power. Enjoy cooling, fan, or dehumidifier modes for personalized comfort. The hassle-free drain-free design ensures no worries about removing condensed moisture, and its efficient design guarantees quiet operation. The ConnectLife smart app and included remote control put easy operation right at your fingertips.

ConnectLife Control

Connect from anywhere with the ConnectLife App to change settings or monitor your portable air conditioner - works with Hey Google and Alexa.

Quiet Operation for a Relaxing Environment

The Hisense portable air conditioner ensures a quiet operation with a low sound level of 47 dBA, allowing you to enjoy a restful night's sleep while staying comfortably cool.

A Snap to Install

Your portable AC will be up and running in minutes with the easy-to-install snap-assembly window kit. Condensed water will evaporate outside through the air exhaust hose.

3-in-1 Operation

This model can operate in three modes (cool, dehumidify and fan) to fit your needs. Whoever said having options isn't nice to have?

Drain-free Operation

The drain-free operation offers the convenience of not having to manually collect condensed water.

Easy to Use Remote & Control Panel

The control panel and remote control are simple and intuitive.

2-year Warranty

Supported by a 2-year warranty
