

成品尺寸60*100MM

How to Use?

01 For Magic Mouse 2

step1： Connect the cable to the mouse charging station

Step2:Connect the other end of the cable to your computer or a 5V power adapter

Step3:Place the mouse on the charging station, your mouse will charge

Note: If you place your mouse on the charging stand and there is nothing, please don't worry, it's normal. Because of the Mac OS , the charging capacity of the magic mouse only can be seen by connecting your computer.

02 For QI cell phone

Step1： Turn the back of the charging up,and connect the cable to the charging station

Step2:Connect the other end of the cable to your computer or a 5V power adapter.

Step3: Place the QI cell phone on the charging station, and the light will come on, then your phone is charging
