

Chess Set User Guide (For Adults)

Whats Included:

- 1 x Folding Chess Board (8x8 squares)
- 16 x White Chess Pieces (1 King, 1 Queen, 2 Rooks, 2 Knights, 2 Bishops, 8 Pawns)
- 16 x Black Chess Pieces (same as above)
- 1 x User Guide (this booklet)

Objective of the Game:

Checkmate your opponent's king - a position where the king is under attack and cannot escape.

Setup Instructions:

1. Position the board with a white square in the bottom-right corner.
2. Place pieces as follows:
 - Back row (left to right): Rook, Knight, Bishop, Queen, King, Bishop, Knight, Rook.
 - Front row: All pawns.
 - Note: The white queen goes on a white square, and the black queen on a black square.

How Each Piece Moves:

King: 1 square in any direction. Cannot move into check.

Queen: Any number of squares in any direction.

Rook: Any number of squares horizontally or vertically.

Bishop: Any number of squares diagonally.

Knight: Moves in an L-shape: 2 squares in one direction, then 1 square perpendicular. Can jump over pieces.

Chess Set User Guide (For Adults)

Pawn: Moves forward 1 square; optionally 2 squares on its first move. Captures diagonally. Can promote on reaching the last row.

Basic Rules:

- Check: A king is under threat.
- Checkmate: No way to escape check = game over.
- Stalemate: A draw if no legal moves and king isn't in check.
- Castling: Special move between king and rook (if neither has moved).
- En Passant: Special pawn capture under specific conditions.

Care Instructions:

- Store pieces in a dry place.
- Wipe with a soft cloth if dusty.
- Avoid prolonged sunlight on wooden boards.
