## Frequently-Asked Questions

### - Does the wagon arrive assembled?

Yes. The wagon comes fully assembled with wheels attached.

### - How to fold the wagon for storage?

Remove the bottom plate, pull the red handle, fold the wagon and fasten the hook and loop strap.

*Tips: Make sure both front wheels are facing inward and parallel to the rear wheel.*

### - Are the wheels of this wagon equipped with brake?

Yes. The front wheels of this wagon come with integrated brakes.

*(We upgraded the wheels with brakes in 2022, which is why you may see wheels without brakes in some pre-2022 pictures or reviews.)*

### - What if the wagon I receive is defective?

Our after-sales team is available 24/7 to answer any concerns you may have. Just drop us a message and we will offer a satisfactory solution for you :)
