

# TownGuide Performer

## BDP102 LED40/830 II DW PCC SI CLO-DDF1 6

BDP102 | TOWNGUIDE PERF CLASSIC CONE, LED40 | LED module 4000 lm, Distribution wide, Polycarbonate bowl/cover clear

The TownGuide Performer family consists of six recognizable yet modern shapes: Flat Cone, Bowl, Classic Cone, Classic, T and Tzero. All are available with a clear bowl. Except for Tzero, also a frosted bowl can be chosen. With an extensive range of lumen packages and a choice of light colors and operating lifetimes, it is easy to select the version that best suits your project’s specific requirements. In addition, TownGuide Performer has a variety of control system options that can make it an integral part of your smart energy-reduction programs – from stand-alone LumiStep and DynaDimmer, SDU switch-dim control, through to seamless remote connectivity with CityTouch lighting management software. Installation is easy. Thanks to the bayonet whistle connector with integrated gland located in the spigot, the luminaire does not have to be opened at all for installation. Philips has made every effort to make the Total Cost of Ownership (TCO) of the luminaire as attractive as possible. And as TownGuide Performer is a dedicated LED luminaire, compatible with a variety of control systems, the energy and maintenance cost savings compared to conventional lighting are significant.

### Product data

| General Information      |                            | Lighting Technology  |  |
|--------------------------|----------------------------|----------------------|--|
| Lamp family code         | LED40 [LED module 4000 lm] | Value ladder         | LED  |
| Light source replaceable | Yes                        | Serviceability class | Performance  |
| Number of gear units     | 1 unit                     |                      | Class A, luminaire is equipped with serviceable parts (when applicable): LED board, driver, control units, surge protection device, optics, front cover and mechanical parts |
| Driver included          | Yes                        |                      |  |
| Light source engine type | LED                        |                      |  |
| Service tag              | Yes                        |                      |  |

TownGuide Performer

|                       |                          |
|-----------------------|--------------------------|
| Warranty period       | 5 years                  |
| Sustainability rating | Lighting for circularity |

Light Technical

|                                    |                   |
|------------------------------------|-------------------|
| Upward light output ratio          | 3                 |
| Luminous Flux                      | 3,116 lm          |
| Correlated Color Temperature (Nom) | 3000 K            |
| Luminous Efficacy (rated) (Nom)    | 102 lm/W          |
| Color rendering index (CRI)        | 80                |
| Number of light sources            | 4                 |
| Light source color                 | 830 warm white    |
| Luminaire light beam spread        | 50° x 70°         |
| Optic type outdoor                 | Distribution wide |
| Effective projected area           | 0.088 m²          |

Operating and Electrical

|  |  |
|--|--|
| Input Voltage                            | 220-240 V  |
| Line Frequency                           | 50 to 60 Hz  |
| Initial CLO power consumption            | 30.5 W   |
| Average CLO power consumption            | 31.5 W   |
| End CLO power consumption                | 32.5 W   |
| Inrush current                           | 45 A   |
| Inrush time                              | 0.285 ms   |
| Power Consumption                        | 32.5 W   |
| Power Factor (Fraction)                  | 0.94   |
| Connection                               | Screw connection block 5-pole  |
| Cable                                    | -  |
| Number of products on MCB of 16 A type B | 10   |
| Protection class IEC                     | Safety class II  |
| Surge Protection (Common/Differential)   | Surge protection level until 6 kV differential mode and 6 kV common mode |

Controls and Dimming

|                               |  |
|-------------------------------|--|
| Dimmable                      | Yes  |
| Driver/power unit/transformer | Power supply unit with DynaDimmer and constant light output (integrated) |
| Control interface             | Programmable (via DALI or NFC) stand-alone dimming                       |
| Constant light output         | Yes  |
| Maximum dim level             | 50%  |
| Embedded control              | Constant light output and DynaDimmer fixed presets version 1             |
| Photocell                     | -  |

Mechanical and Housing

|                        |                             |
|------------------------|-----------------------------|
| Housing Material       | Aluminum                    |
| Reflector material     | -                           |
| Optic material         | Acrylate                    |
| Optical cover material | Polycarbonate               |
| Fixation material      | Steel                       |
| Housing Color          | Silver                      |
| Mounting device        | Post-top for diameter 62 mm |

|                                     |  |
|-------------------------------------|--|
| Optical cover shape                 | Conical                                      |
| Optical cover finish                | Clear  |
| Overall length                      | 570 mm                                       |
| Overall width                       | 570 mm                                       |
| Overall height                      | 317 mm                                       |
| Overall diameter                    | 570 mm                                       |
| Dimensions (Height x Width x Depth) | 317 x 570 x 570 mm                           |
| Parts color                         | All parts colored                            |
| Ingress protection code             | IP66 [Dust penetration-protected, jet-proof] |
| Mech. impact protection code        | IK10 [20 J vandal-resistant]                 |
| Standard tilt angle posttop         | 0°   |
| Standard tilt angle side entry      | -  |
| Optical cover type                  | Polycarbonate bowl/cover clear               |
| Net Weight (Piece)                  | 6.680 kg                                     |

Approval and Application

|                                    |                                  |
|------------------------------------|----------------------------------|
| Glow-wire test                     | Temperature 650 °C, duration 5 s |
| Flammability mark                  | -                                |
| CE mark                            | Yes                              |
| ENEC mark                          | ENEC mark                        |
| EU RoHS compliant                  | Yes                              |
| Performance ambient temperature Tq | 25 °C                            |
| Ambient temperature range          | -40 to +35 °C                    |

Initial Performance (IEC Compliant)

|  |                      |
|--|----------------------|
| Luminous flux tolerance                                | +/-7%                |
| Initial chromaticity                                   | (0.43, 0.40) SDCM <5 |
| Power consumption tolerance                            | +/-10%               |
| Init. Color Rendering Index Tolerance                  | +/-2                 |
| Standard Deviation of Colour Matching (McAdam ellipse) | SDCM≤5               |

Over Time Performance (IEC Compliant)

|  |       |
|--|-------|
| Driver failure rate at 5000 h  | 0.5 % |
| Control gear failure rate at median useful life 50000 h              | 5 %   |
| Control gear failure rate at median useful life 100000 h             | 10 %  |
| Lumen maintenance (EN-IEC 62722-2-1) at median useful life* 50000 h  | L97   |
| Lumen maintenance (EN-IEC 62722-2-1) at median useful life* 100000 h | L94   |
