

ENTTEC

EUROPE JUNE 2025

Join us as we talk with Obscura Qalma's Sirius: singer, guitarist ... and EMU lighting programmer

Italian metal trio Obscura Qalma are using EMU software and hardware to create stunning, self-programmed light shows that elevate their live performances across Europe. Discover how they've taken full control of their stage presence — and why EMU is their tool of choice.

Latvia lights up with interactive magic

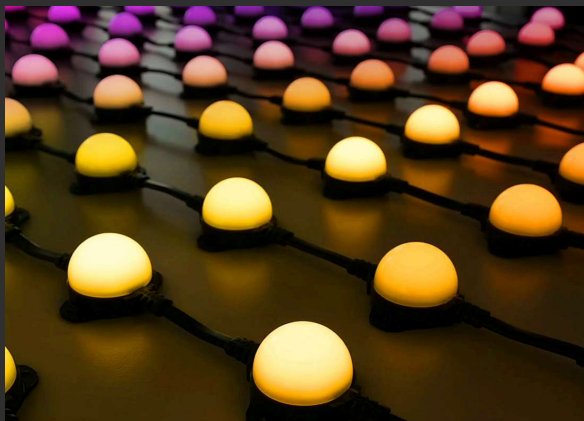

Discover how ENTTEC's cutting-edge LED technology transformed Riga's Olimpia shopping centre into the Baltics' first interactive lighting façade — where hand gestures bring the building to life.
