PRODUCT WARRANTY

Warranties cover the original residential user of Kwikset Products against defects in material and workmanship as long as the original user occupies the residential premises upon which the Product was originally installed. This warranty DOES NOT COVER abused or misused products or non-commercial products used in commercial applications. Upon return of a defective Product to Kwikset Corporation, Kwikset shall either replace the Product or refund the purchase price, at our discretion. If a covered defect occurs, call 1-800-327-LOCK (5625) in the U.S. and Canada or return it to Kwikset Corporation, Consumer Services, 19701 DaVinci, Lake Forest, California 92610. A finish deterioration occurring from the use of paints, solvents, or other chemicals is not a defect in the finish and is not covered by this warranty. Kwikset is not liable for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

PATENT INDEMNITY

We agree to defend any suit or proceeding brought against our customer so far as based on claim that our products, or any part thereof, made solely to our specifications and furnished to our customer constitute an infringement of any U.S. patent, if notified promptly in writing and given authority, information and assistance at our expense for the defense of same, and we shall pay all damages and costs awarded therein against our customer. In case our products, or any part thereof, is in such suit held to constitute infringement and

their use is enjoined, we will, at our expense and discretion, either procure for our customer the right to continue using the products or replace same with non-infringing products, or modify them so they become non-infringing, or remove such products and refund the purchase price (less depreciation, prorated from the purchase date). The foregoing states our entire liability for patent infringement by our products or any part thereof.

STANDARDS

Kwikset meets or exceeds the testing requirements specified for each product grade or rating.

- American National Standards Institute (ANSI)
- Builders Hardware Manufacturers Association (BHMA)
- Underwriters Laboratories, Inc. (UL)
- ADA (Americans with Disabilities Act)

MISCELLANEOUS

Substitution of non-Kwikset components/parts, and any alteration or modification of factory parts, and other lock manufacturer's parts may result in door hardware which does not function properly or will fail and will void all warranties.

Kwikset reserves the right to revise or modify products, product information, or pricing without notice. Product specifications and pricing reflect available information at the time of printing. Kwikset is not responsible for typographic or printing errors.

HANDING

To determine the handing of a door, face the **OUTSIDE** of a door. If the hinge is on the left side of the door, the door is left-handed (LH). If the hinge is on the right side of the door, the door is right-handed (RH).

Note: Handing only required for Dummy Kwikset Signature Series levers.

FINISHES

TERMS AND CONDITIONS OF SALE

Standard terms are 2% prompt payment discount for payment within 25 days from date of invoice; net 30 days from the date of invoice. Kwikset® reserves the right to charge and recover on invoices which are not paid within the above terms, a service charge of 1-1/2% a month for each month or fraction thereof during which the invoice remains unpaid, said service charge, however, not to exceed the highest applicable legal rate of interest. All orders, whether solicited or written by our sales representatives or forwarded by our customers are deemed to be mere offers to purchase in accordance with these Terms and Conditions of Sale until actually accepted by us at our home office in Lake Forest, CA. We reserve the right to refuse any order as well as the right to sell or not sell to any firm at our sole discretion. The acceptance of an order is expressly made conditional upon your assent to these Terms and Conditions of Sale. We object to the inclusion of any different or additional terms or conditions, even if the same are included in your order, a contract of sale will result upon the Terms and Conditions of Sale stated herein only.

All sales are final.

PRICES

Pricing based on full-case quantities only; orders for less than full case will be automatically adjusted up to the next full-case quantity. All prices are subject to change without notice and are not guaranteed. All taxes, duties or other charges are the responsibility of the customer.

CLAIMS

Price claims must be submitted in writing to Kwikset, 19701 DaVinci, Lake Forest, CA 92610 within 30 days from the date of invoice.

CHANGES OR CANCELLATIONS

Beyond 5 working days of our acknowledgment date no changes can be made. Additions to an order will be handled as a separate order and must meet applicable minimum order requirements. Order cancellation on regular stock items only, or any portion thereof is allowed only upon prior written consent from Kwikset, and the payment of cancellation charges deemed appropriate.

MINIMUM CHARGE

No order will be invoiced for less than \$100.00 net plus shipping charges except for lock accessory parts.

MINIMUM ANNUAL SALES VOLUME

The company reserves the right to discontinue direct sales to any customer who does not meet the minimum annual sales volume requirement. The current annual requirement is \$50,000.00. Your annual purchases are determined by accepted, non-cancelled, and shipped orders received during each calendar year. Kwikset reserves the right to change any or all minimum annual sales volume requirements at any time. Any customer who does not meet the annual

sales volume requirements may continue to purchase Kwikset products through a Kwikset distributor.

RETURNS

Defective merchandise returned to our factories requires prior written authorization from a Kwikset Sales Rep or the Sales Office. A factory return authorization must accompany the returned shipment. The return authorization must include an itemized listing of the merchandise and an explanation stating the reason for return.

There will be a 20% product restocking fee on all returned merchandise.

FREIGHT

All goods are invoiced FOB our factory. Upon delivery of shipments to the carrier, title to, and the risk of loss or damage in transit for such shipments, passes to our customer. Kwikset's standard policy is to pay freight charges on all orders over \$1,000.00 net invoice value to a single destination in the continental U.S., by carrier and route of our choice. Shipments less than these quantities will not be shipped on a prepaid basis.

If higher freight charges are incurred from customers specifying a carrier or route of their choice the additional cost will be added to that customer's invoice.

DELIVERY CONDITIONS

Shipping schedules are our best estimates, and cannot be guaranteed. Kwikset is not responsible for any direct or consequential loss or damage resulting from an inability or delay in meeting shipping schedules.

INTRODUCING THE SMART SECURITY APP

The Kwikset Smart Security App was designed to educate users on Kwikset's broad array of products while facilitating the decision making process when purchasing door hardware.

Now available for iPhone, iPad and Android.

Visit Kwikset.com/SmartSecurityTool for more info.

Kwikset

THE BEST SECURITY IS SMART SECURITY.

INTRODUCING THE SMART SECURITY APP

House Pack Project Selector

Determine the different types of door hardware needed for a particular project and select quantities of each type.

Product Demonstrations

Interact with Kwikset's innovative products. This tool includes product demonstrations of the Kwikset SmartKey® Re-key Technology, Key Control™ Deadbolt, SmartCode™ Keyless Entry and the SmartKey Reset Cradle, along with a video overview of our Home Connect technology.

Image Gallery

View Kwikset's core product portfolio. With this tool, users can view each product in every available finish.

Re-key Savings Calculator

Quickly and accurately assess the time and cost savings achieved in the re-keying process when using Kwikset SmartKey or Key Control Deadbolt instead of a traditional pin and tumbler lock.

Kwikset

SMART. SIMPLE. SECURE.

SMARTKEY® RE-KEY TECHNOLOGY

The Lock You Can Re-key in Seconds

Re-key your locks, quickly & securely, without the extra hassle & cost of removing the lock from the door. SmartKey locks are incredibly secure & have passed the most stringent lock picking standards. Our patented BumpGuard™ technology provides superior lock bumping protection, while our high-security Grade 1 deadbolt is able to withstand the power typically associated with forced entries.

- Re-key in seconds—save time & money
- Available in all Kwikset keyed-entry products
- Pick Resistant—passes the most stringent lock picking standard, UL437, par 11.6
- 980 Series Deadbolt Certified ANSI/BHMA Grade 1 Security—the highest level of residential security available in the industry
- BumpGuard™ for protection against lock bumping

SmartKey® Signature Series™ deadbolts have earned the prestigious Best Buy rating from *Consumers Digest*.

kwikset.com/smartkey

KEY CONTROL™ DEADBOLT

The Smart Alternative to Master Keying

Re-keying & managing a traditional master key system is labor intensive, time consuming & costly. With the first & only two cylinder Key Control Deadbolt, either cylinder can be re-keyed in seconds, without removing the lock from the door.

FEATURING

*Rotate cylinder cap to expose Key Control cylinder

kwikset.com/keycontrol

THE BEST SECURITY IS SMART SECURITY.

BUMPGUARD™

SmartKey's patented side locking bar technology replaces the traditional pin-and-tumbler design and provides improved security against lock bumping.

RE-KEY IN 3 SIMPLE STEPS

1 Insert functioning key & turn 1/4 turn clockwise.

2 Insert & remove the SmartKey learn tool. Remove functioning key.

3 Insert new key & turn 1/2 turn counter-clockwise. Done. *Your lock is now re-keyed!*

Functioning Key

SmartKey Learn Tool

New Key

You must have your functioning key & the learn tool for the system to work.

Reset Cradle

A tool used to reset the cylinder if the original key has been lost or to repair a SmartKey® cylinder that has been programmed incorrectly.

99260-001	Kevo Key Fob						4	\$54.00

Easily access the Key Control cylinder: (1) Insert the SmartKey Tool into the slot at bottom of cylinder cover (2) Rotate cover clockwise to expose the Key Control cylinder. (3) Now you have access to the Key Control cylinder. Use tool to rotate counter-clockwise back to user's keyway when appropriate.

FEATURES

- Two Separate Cylinders, Tenant & Property Manager, Allow for More Tenant Key Cuts Than a Traditional Master Key System
- New Proprietary Keyway Adds Security
- Property Manager Cylinder is Concealed When Not in Use to Avoid Tenant Confusion
- With SmartKey®, Re-Key the Lock Without Removing From the Door
